DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

CHAMBER OF THE SENATE,

OTTAWA, Thursday, 25th February, 1892.

This day, at THREE o'clock P.M., HIS EXCELLENCY THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, His Excellency was pleased to open the SECOND SESSION of the SEVENTH PARLIAMENT OF THE DOMINION OF CANADA, with the following Speech:—

Honourable Gentlemen of the Senate,

Gentlemen of the House of Commons:

It affords me much gratification to meet you at the commencement of the Parliamentary Session, and to be able to congratulate you upon the general pros-

perity of the Dominion, and upon the abundant harvest with which Providence has blessed all parts of the country.

The lamented and untimely death of His Royal Highness the Duke of Clarence and Avondale has aroused a feeling of profound sorrow. The sympathy with Her Majesty and Their Royal Highnesses the Prince and Princess of Wales, in their bereavement, which has prevailed in the Dominion on this melancholy occasion, has found expression in respectful messages of condolence from my Ministers, from the Provincial Governments, and from many other representative bodies.

The negotiations with respect to seal fishing in Behring Sea have been continued, with a view to the adjustment by arbitration, of the difficulties which have arisen between Her Majesty's Government and that of the United States on that subject. Commissioners have been appointed by both Governments, to investigate the circumstances of seal life in Behring Sea; to report thereon; and to suggest the measures, if any, which they may deem necessary for its proper protection and preservation. The Commissioners are proceeding with their deliberations in Washington, and the results will shortly be communicated to Her Majesty's Government. I trust that their investigations, and the determination of the Arbitrators who are to be appointed, may lead to a just and equitable settlement of this long pending difficulty.

The meeting which had been arranged with the United States Government for a day in October last, for an informal discussion on the extension of trade between the two countries, and on other international matters requiring adjustment, was postponed at their request. But, in compliance with a more recent intimation from that Government, three of my Ministers proceeded to Washington, and conferred with representatives of the Administration of the United States on those subjects. An amicable understanding was arrived at respecting the steps to be taken for the establishment of the boundary of Alaska; and for reciprocity of services in cases of wreck and salvage. Arrangements were also reached for the appointment of an International Commission to report on the regulations which may be adopted by the United States and Canada for the prevention of destructive methods of fishing and the pollution of streams, and for establishing uniformity of close seasons, and other means for the preservation and increase of fish. A valuable and friendly interchange of views respecting other important matters also took place.

In accordance with the promise given at the close of the last session, a Commission has been issued to investigate the working of the Civil Service Act, and other matters connected with the Civil Service generally. The report of this Commission will be laid before you during the present session.

The conclusions of the Commission on the manufacture of beet-root sugar will also be laid before you.

It is desirable that the fishery regulations in British Columbia should be examined and revised so as to adapt them better to the requirements of the fisheries in that Province. A Commission has been issued with that object.

An important measure respecting the Criminal Law, which was laid before you last session, has been revised and improved, as a result of the expression of views elicited by its presentation to Parliament, and will be submitted to you. Your attention will also be directed to measures for the redistribution of seats consequent upon the Census returns; the establishment of the boundaries of the Territories; and the amalgamation of the Departments of Marine and Fisheries. Bills will also be presented to you for the amendment of the Civil Service Act, the Acts relating to real property in the Territories, and of those respecting the fisheries.

Gentlemen of the House of Commons:

The accounts for the past year will be laid before you, as well as the Estimates for the ensuing year. These Estimates have been prepared with a due regard to economy and the requirements of the public service.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

I commend these important subjects, and all matters affecting the public interests which may be brought before you, to your best consideration, and I feel assured that you will address yourselves to them with earnestness and assiduity.

DESPATCHES.

(Circular.)

DOWNING STREET,

17th December, 1891.

MY LORD,—With reference to my predecessor's circular despatch of the 16th of March, 1885, I have the honour to transmit to you, for publication in the Colony under your Government, a copy of an Order of Her Majesty the Queen in Council, dated the 24th of November, 1891, for giving effect to the Protocol between Her Majesty and the President of the Oriental Republic of the Uruguay, concluded at Monte Video on the 20th of March, 1891, the ratifications of which were exchanged at Monte Video on the 17th of July, 1891, for the extension of the period stipulated in Article IX of the Treaty of 26th March, 1884, for the mutual extradition of Fugitive Criminals.

WHEREAS the Regulations governing the granting of yearly licenses to cut timber on Dominion lands established by the Order in Council of the 11th November, 1881, as well as by the Order in Council of the 17th day of September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, provide that the licensee shall have in operation within one year from a date to be fixed in the license, and keep in operation for at least six months of each year of his holding, a saw-mill in connection with his berth capable of cutting daily at least one thousand feet board measure of lumber for every two and a-half square miles of the area licensed;

And whereas this provision was enacted in order to encourage by every means the establishment of mills for the convenience of settlers who were removed from railways and other means of supplying themselves with lumber, and at a time when timber berths were granted without competition, and the result has been the establishment of a very considerable number of mills, and every facility is now afforded for the purchase of manufactured lumber in almost every settlement in Manitoba, the North West Territories, and within the Railway Belt in British Columbia,—

Therefore His Excellency, being of the opinion that the time has now arrived when a licensee should not be called upon to construct a mill unless the establishment thereof would supply a local need, is pleased to order, under the provisions of chapters 54 and 56 of the Revised Statutes intitled respectively "The Dominion Lands Act," and "An Act respecting certain Public Lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, that the Regulation which requires a licensee to have a saw-mill in operation upon his berth within a certain time, being subsection (d) of section 2 of the Regulations approved by the Order in Council of the 11th November, 1881, as well as subsection (f) of section 2 of the Order in Council of the 17th September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, shall be and the same is hereby amended so that in respect of all licenses hereafter granted, the licensee shall be required to construct a mill and commence the manufacture of lumber from the timber on the tract covered by his license, within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest.

JOHN J. MCGEE,
Clerk, Privy Council.

Messieurs de la Chambre des Communes :

C'est avec beaucoup de plaisir que je vous rencontre au commencement de cette session du parlement, et je suis heureux de pouvoir vous féliciter sur la prospérité générale du Canada et sur la récolte abondante dont la Providence a gratifié toutes les parties du pays.

La mort prématurée et regrettable de S. A. R. le Duc de Clarence et Avondale a fait naître un sentiment de profonde douleur. La sympathie dont Sa Majesté et Leurs Altesses Royales le Prince et la Princesse de Galles ont été ici l'objet dans leur deuil en cette triste occasion, s'est manifestée dans les messages de condoléance de la part de mes ministres, des gouvernements des provinces et de plusieurs autres corps représentatifs.

Les négociations concernant les pêcheries du phoque à fourrures dans la mer de Behring ont été continuées dans le but de régler, par un arbitrage, les difficultés survenues entre le gouvernement de Sa Majesté et celui des Etats-Unis sur ce sujet. Des commissaires ont été nommés par les deux gouvernements pour s'enquérir de tout ce qui concerne la vie du phoque à fourrures dans la mer de Behring, pour faire rapport sur ce sujet et suggérer, si besoin est, des mesures qu'ils reconnaîtront nécessaires pour sa protection et sa conservation. Les commissaires continuent leurs travaux à Washington et le résultat en sera bientôt communiqué au gouvernement de Sa Majesté. J'espère que leurs recherches et le jugement des arbitres, qui seront nommés, amèneront un règlement juste et équitable de cette difficulté si longtemps pendante.

La conférence qui devait avoir lieu avec le gouvernement des Etats-Unis, au mois d'octobre dernier pour discuter officiellement la question des relations commerciales plus étendues entre les deux pays et autres affaires d'un intérêt international, réclamant une solution, a été ajournée à leur demande. Mais pour répondre à une invitation plus récente de ce gouvernement, trois de mes ministres se sont rendus à Washington et ont conféré avec les représentants de l'administration des Etats-Unis sur ces sujets. Ils sont arrivés à un arrangement à l'amiable sur les mesures à prendre pour déterminer la frontière de l'Alaska et pour assurer une réciprocité de services dans le cas de naufrages et de sauvetages. Ils se sont aussi entendus pour nommer une commission internationale qui fera rapport sur les règlements qui devraient être adoptés par les Etats-Unis et le Canada pour prévenir les modes destructifs de pêche et la pollution des eaux de rivières et pour l'établissement d'une clôture uniforme de la saison de pêche et d'autres moyens de conserver et de propager le poisson. Un échange amical et précieux de vues sur d'autres matières importantes a aussi eu lieu.

Conformément à la promesse faite à la fin de la dernière session, une commission a été nommée pour s'enquérir du fonctionnement de l'Acte du service civil, et autres matières qui concernent l'administration. Le rapport de la commission vous sera soumis à la présente session.

Le rapport de la commission chargée de s'enquérir de la question de la manufacture du sucre de betterave vous sera aussi soumis.

Il est désirable que les règlements de pêcheries dans la Colombie-Britannique soient examinés et revus pour qu'on les rende plus conformes aux besoins des

pêcheries dans cette province. Une commission ayant cet objet en vue, a été nommée.

Une mesure importante concernant la loi criminelle qui vous a été soumise à la dernière session a été revue et amendée conformément aux vues exprimées à sa présentation au parlement, et vous sera soumise. Vous aurez aussi à vous occuper d'un projet de loi concernant une nouvelle délimitation des circonscriptions électorales sur la base du dernier recensement; l'établissement des frontières dans les territoires, la fusion des départements de la Marine et des Pêcheries. Des mesures vous seront aussi soumises pour amender l'Acte du Service Civil, les actes concernant la propriété immobilière dans les territoires, et les actes concernant les pêcheries.

Messieurs de la Chambre des Communes :

Les comptes publics pour l'année écoulée vous seront soumis ainsi que les estimations budgétaires pour l'année prochaine. Ces estimations ont été préparées en ayant égard à l'économie des deniers publics et aux besoins de l'administration.

Honorables Messieurs du Sénat,

Messieurs de la Chambre des Communes :

Je recommande ces importantes questions à votre étude la plus sérieuse, ainsi que tous les autres sujets d'un intérêt public qui pourront vous être soumis, et je suis certain que vous vous en occuperez avec zèle et assiduité.

DÉPÊCHES.

(Circulaire.)

DOWNING STREET,
17 décembre 1891.

MILORD,—Vu la dépêche circulaire de mon prédécesseur, en date du 16e jour de mars 1885, j'ai l'honneur de vous transmettre, pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un arrêté de Sa Majesté la Reine en conseil, daté le 24e jour de novembre 1891, pour donner effet au protocole entre Sa Majesté et le Président de la République Orientale de l'Uruguay, conclu à Monte Video le 20e jour de mars 1891, dont les ratifications ont été échangées à Monte Video le 17e jour de juillet 1891, à l'effet de prolonger la période stipulée dans l'article IX du traité du 26 mars 1884, pour l'extradition mutuelle des criminels fugitifs.

J'ai l'honneur d'être,

Milord,

Votre très obéissant serviteur,

KNUTSFORD.

EXTRAIT de la *Gazette de Londres*, de vendredi, le 27 novembre 1891.

TRAITÉ D'EXTRADITION ENTRE LA GRANDE-BRETAGNE ET LA RÉPUBLIQUE ORIENTALE DE L'URUGUAY.

AU CHATEAU DE WINDSOR,

24 novembre 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,

Le comte de Limerick,

Lord Walter Gordon-Lennox,

Sir James Fergusson, bart.,

M. A. J. Balfour,

Sir Charles Pearson.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un État étranger au sujet de la reddition à cet État des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'État étranger en question; et que Sa

Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par l'arrêté en conseil qui applique les dits actes à l'égard de tout État étranger, ou par tout arrêté subséquent, suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, et pas plus longtemps;

Et considérant qu'un traité a été conclu le vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pour l'extradition mutuelle des criminels fugitifs;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, daté le cinquième jour de mars mil huit cent quatre-vingt-cinq, il est décrété que les Actes d'extradition de 1870 et 1873 s'appliqueront dans le cas de la République Orientale de l'Uruguay;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps;

Et considérant qu'un protocole a été conclu le vingtième jour de mars mil huit cent quatre-vingt-onze, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pourvoyant à l'extension de la période stipulée dans l'article IX du susdit traité du vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, lequel protocole est conçu dans les termes suivants :

"Monte Video le vingtième jour de mars mil huit cent quatre-vingt-onze, Leurs Excellences M. Ernest Mason Satow, compagnon de l'Ordre très distingué de Saint-Michel et Saint-George, ministre résident et consul général de Sa Majesté britannique, et le Dr Manuel Herrero y Espinosa, ministre des Affaires Étrangères, s'étant réunis au ministère des Affaires Étrangères dans le but de prendre des moyens pour prolonger la période stipulée dans l'article IX du traité d'extradition des criminels en vigueur entre leurs pays respectifs, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, et ayant échangé leurs pleins pouvoirs trouvés en bonne et due forme, ont adopté la déclaration suivante, laquelle sera censée former partie intégrante de la dite convention internationale :

"La période de trente jours fixée par l'article IX du traité pour l'extradition des criminels en vigueur entre la République Orientale de l'Uruguay et la Grande-Bretagne, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, ayant été trouvée tout à fait insuffisante, les deux gouvernements consentent à ce que la dite période soit désormais fixée à soixante jours.

"En foi de quoi les dits plénipotentiaires ont fait dresser le présent protocole en double, et ont signé les deux copies, et y ont apposé leurs cachets à la date ci-dessus citée.

"(L.S.)
"(L.S.)

ERNEST MASON SATOW.
MANUEL HERRERO Y
ESPINOSA."

Et attendu que les ratifications du dit protocole ont été échangées à Monte Video le dix-septième jour de juillet mil huit cent quatre-vingt-onze.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le septième jour de décembre mil huit cent quatre-vingt-onze, les dits actes s'appliqueront dans le cas du dit protocole du vingtième jour de mars mil huit cent quatre-vingt-onze aussi amplement à toutes fins et intentions que dans le cas du traité précité en date du vingt-sixième jour de mars mil huit cent quatre-vingt-quatre.

Pourvu, toujours, et il est de plus par le présent ordonné que l'opération des dits Actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, en tant qu'il s'agit de la République Orientale de l'Uruguay et des dits traité et protocole, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps.

Vendredi, le 8e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que par l'arrêté en conseil du 16 avril 1888, la moitié nord et le quart sud-est de la section 36, township 18, rang 3 à l'ouest du 1er méridien, ont été transférés au gouvernement de la province du Manitoba comme terrains marécageux en vertu des dispositions du chapitre 47 des Statuts Révisés ;

Et considérant que certains colons islandais se sont établis sur ces terres par inadvertance sous l'impression qu'elles appartenaient au gouvernement fédéral ;

Et considérant que le 17e jour de novembre 1891, un arrêté de Son Honneur le lieutenant-gouverneur du Manitoba en conseil a été passé, attribuant les terrains ci-dessus mentionnés au gouvernement fédéral afin qu'ils pussent être concédés comme homesteads aux susdits colons, à condition qu'en leur lieu et place il fût fait au gouvernement provincial un octroi de la moitié est de la section 16 et du quart nord-ouest de la section 18, township 18, rang 3, à l'ouest du 1er méridien,—

En conséquence il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que la dite moitié est de la section 16 et le quart nord-ouest de la section 18, township 18, rang 3 à l'ouest du 1er méridien, soient et ils sont par le présent attribués à Sa Majesté pour les fins de la province du Manitoba.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mercredi, le 20e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que les règlements qui gouvernent l'octroi de licences annuelles pour couper du bois sur les terres fédérales établis par l'arrêté en conseil du 11 novembre 1881, ainsi que par l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refondus du Canada, décrètent que le porteur de la licence devra exploiter dans une année de la date déterminée dans la licence, et poursuivre l'exploitation pendant une période d'au moins six mois chaque année, tant qu'il sera porteur de cette licence, et pour le service de son fond de bois, une scierie pouvant couper en vingt-quatre heures, au moins mille pieds de bois, mesure de planche, pour chaque deux milles et demi en superficie de la coupe ;

Et considérant que cette disposition a été établie afin d'encourager par tous les moyens possibles la construction de moulins pour la commodité des colons qui seraient éloignés des chemins de fer et autres moyens de se procurer du bois de construction, alors que les

coupes de bois étaient accordées sans concurrence, qu'il en est résulté la construction d'un nombre très considérable de moulins et que presque chaque établissement dans le Manitoba, dans les Territoires du Nord-Ouest, et dans la zone du chemin de fer dans la Colombie-Britannique possède d'amples facilités pour acheter le bois fabriqué,—

En conséquence, il plait à Son Excellence, croyant que le temps était arrivé où il n'était plus nécessaire qu'un porteur de licence construise un moulin à moins que cette construction ne serve un besoin local, d'ordonner, en vertu des dispositions des chapitres 54 et 56 des Statuts Révisés intitulés respectivement "Acte des terres fédérales," et "Acte concernant certaines terres publiques dans la Colombie-Britannique," et par et avec l'avis du Conseil privé de la Reine pour le Canada, que le règlement qui exige qu'un porteur de licence ait une scierie en exploitation sur sa coupe dans un certain délai, étant le par. (d) de l'article 2 des règlements approuvés par l'arrêté en conseil du 11 novembre 1881, ainsi que le par. (f) de l'article 2 de l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refondus du Canada, soit et il est par le présent modifié de manière que toutes les licences accordées à l'avenir stipuleront que le porteur de la licence sera tenu de construire un moulin et commencer la manufacture du bois de service sur l'étendue comprise dans la licence, sous un an de la date où il sera notifié par l'officier compétent du ministère de l'Intérieur que le Ministre de l'Intérieur considère que cette mesure est nécessaire ou à propos dans l'intérêt public.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comté auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

DESPATCHES.

(Circular.)

DOWNING STREET,
1st February, 1892.

MY LORD,—I have the honour to transmit to you a copy of a letter from the Queen expressing Her Majesty's deep sense of the loyalty and affectionate sympathy evinced by Her subjects in every part of Her Empire on the sad occasion of the death of Her Grandson, His Royal Highness Prince Albert Victor, Duke of Clarence and Avondale, K.G., eldest son of Their Royal Highnesses the Prince and Princess of Wales.

I have also the honour to enclose a copy of a telegram, dated Windsor Castle, the 20th of January, in which Their Royal Highnesses the Prince and Princess of Wales express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them on the sad occasion of the loss of their beloved eldest son.

I have no doubt that both these touching documents have been already published in the colony under your Government, but I have thought it right that they should be communicated to you officially for record in the archives of the colony.

I have the honour to be,

My Lord,

Your most obedient, humble Servant,

KNUTSFORD.

The Officer Administering
the Government of Canada.

WHITEHALL, 27th January, 1892.

The following letter from The Queen has been received by the Right Honourable the Secretary of State for the Home Department :—

OSBORNE, 26th January, 1892.

I must once again give expression to my deep sense of the loyalty and affectionate sympathy evinced by my subjects in every part of my Empire on an occasion more sad and tragical than any but one which has befallen me and mine, as well as the Nation. The overwhelming misfortune of my dearly loved grandson having been thus suddenly cut off in the flower of his age, full of promise for the future, amiable and gentle, and endearing himself to all, renders it hard for his sorely stricken parents, his dear young bride, and his fond grandmother to bow in submission to the inscrutable decrees of Providence.

The sympathy of millions, which has been so touchingly and visibly expressed, is deeply gratifying at such a time, and I wish, both in my own name and that of my children, to express, from my heart, my warm gratitude to all.

These testimonies of sympathy with us, and appreciation of my dear grandson, whom I loved as a son, and whose devotion to me was as great as that of a son, will be a help and consolation to me and mine in our affliction.

My bereavements during the last thirty years of my reign have indeed been heavy. Though the labours, anxieties, and responsibilities inseparable from my position have been great, yet it is my earnest prayer that God may continue to give me health and strength to work for the good and happiness of my dear Country and Empire while life lasts.

VICTORIA, R.I.

The following official telegram has been received from Sir Francis Knollys, at Windsor Castle :—

"The Prince and Princess of Wales are anxious to express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them at a time when they are overpowered by the terrible calamity which they have sustained in the loss of their beloved eldest son.

"If sympathy at such a moment is of any avail, the remembrance that their grief has been shared by all classes will be a lasting consolation to their sorrowing hearts, and, if possible, will make them more than ever attached to their dear country."

AT THE COURT AT OSBORNE HOUSE,
ISLE OF WIGHT.

The 30th day of July, 1891.

PRESENT :

The QUEEN'S Most Excellent Majesty.

Archbishop of York.

Lord President.

Lord Privy Seal.

Lord Arthur Hill.

WHEREAS by an Act of the Parliament of Canada passed in the 49th year of Her Majesty's reign, chapter 25, intituled "An Act further to amend the law respecting the North-West Territories," a Supreme Court of Record of Original and Appellate Jurisdiction was constituted and established in and for the North-

West Territories, called "The Supreme Court of the North-West Territories" ;

And whereas by chapter 50 of the Revised Statutes of Canada, intituled "The North-West Territories Act," the said court was continued under the name aforesaid, but no provision has yet been made for the prosecution and regulation of appeals to Her Majesty in Council from the said court ;

And whereas it is expedient that provision should be made by this Order to enable parties to appeal from the decisions of the said court to Her Majesty in Council,—it is hereby ordered, by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, as follows :

1. Any person or persons may appeal to Her Majesty, her heirs and successors in her or their Privy Council, from any final judgment, decree, order or sentence of the said Supreme Court of the North-West Territories in such manner, within such time, and under and subject to such rules, regulations and limitations as are hereinafter mentioned, that is to say,—

In case any such judgment, decree, order, or sentence shall be given or pronounced for or in respect of any sum or matter at issue above the amount or value of three hundred pounds sterling (£300), or in case such judgment, decree, order or sentence shall involve directly or indirectly any claim, demand, or question to or respecting property or any civil right amounting to or of the value of three hundred pounds sterling (£300), the person or persons feeling aggrieved by any such judgment, decree, order or sentence may, within fourteen days next after the same shall have been pronounced, made or given, apply to the said court by motion or petition for leave to appeal therefrom to Her Majesty, her heirs and successors, in her or their Privy Council ;

In case such leave to appeal shall be prayed by the party or parties who is or are directed to pay any such sum of money or perform any duty, the said court may either direct that the judgment, decree, order, or sentence appealed from shall be carried into execution, or that the execution thereof shall be suspended pending the said appeal, as to the said court may appear to be most consistent with real and substantial justice ;

And in case the said court shall direct such judgment, decree, order, or sentence to be carried into execution, the person or persons in whose favour the same shall be given shall, before the execution thereof, enter into good and sufficient security to be approved by the said court, for the due performance of such order as Her Majesty, her heirs and successors shall think fit to make upon such appeal ;

In all cases security shall also be given by the party or parties appellant in a bond or mortgage or personal recognizance not exceeding the value of five hundred pounds sterling (£500) for the prosecution of the appeal, and the payment of all such costs as may be awarded by Her Majesty, her heirs and successors, or by the Judicial Committee of Her Majesty's Privy Council, to the party or parties respondent ; and if such last-mentioned security shall be entered into within three months from the date of such motion or petition for leave to appeal, then, and not otherwise the said court shall admit the appeal, and the party or parties appellant shall be at liberty to prefer and prosecute his, her, or their appeal to Her Majesty, her heirs and successors, in her or their Privy Council, in such manner and under such rules as are or may be observed in appeals made to Her Majesty from Her Majesty's colonies and plantations abroad.

2. It shall be lawful for the said Supreme Court, at its discretion, on the motion or petition of any party who considers himself aggrieved by any preliminary or interlocutory judgment, decree, order, or sentence of the said Supreme Court, to grant permission to such party to appeal against the same to Her Majesty, her heirs and successors, in her or their Privy Council, subject to the same rules, regulations, and limitations as are herein expressed respecting appeals from final judgments, decrees, orders, and sentences.

3. Nothing herein contained doth or shall extend or be construed to extend to take away or abridge the undoubted right and authority of Her Majesty, her

heirs and successors, upon the humble petition of any person or persons aggrieved by any judgment or determination of the said court, at any time to admit his, her, or their appeal therefrom, upon such terms as Her Majesty, her heirs or successors, shall think fit, and to reverse, correct, or vary such judgment or determination in such manner as to Her Majesty, her heirs and successors, shall seem meet.

4. In all cases of appeal admitted by the said court, or by Her Majesty, her heirs or successors, the said court shall certify and transmit to Her Majesty, her heirs or successors, in her or their Privy Council, a true and exact copy of all evidence, proceedings, judgments, decrees, and orders had or made in such cases appealed so far as the same have relation to the matter of appeal, such copies to be certified under the seal of the said court, and the said court shall also certify and transmit to Her Majesty, her heirs and successors, in her or their Privy Council, a copy of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against, where such reasons shall have been given in writing, and where such reasons shall have been given orally, then a statement in writing of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against.

5. The said court shall, in all cases of appeal to Her Majesty, her heirs or successors, conform to and execute or cause to be executed such judgments and orders as Her Majesty, her heirs and successors shall think fit to make in the premises in such manner as any original judgment, decree, or decretal order, or other order or rule of the said court should or might have been executed.

And the Right Honourable Lord Knutsford, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

From and after the opening of navigation next spring, the fixed red light on Crab Island, Tabusintac, in the County of Northumberland, New Brunswick, on the west coast of the Gulf of St. Lawrence, will be discontinued, and the tower removed, as the gully is too shallow and intricate for navigation at night.

The fee payable on any Private Bill is paid only in the House in which it originates.

No Petition for a Private Bill is received by either House after the first ten days of the session.

DÉPÊCHES.

(Circulaire.)

DOWNING STREET,
1er février 1892.

MILORD,—J'ai l'honneur de vous transmettre copie d'une lettre de la Reine dans laquelle Sa Majesté apprécie hautement la loyauté et la sympathie affectueuse manifestées par ses sujets par tout son Empire en la pénible occasion de la mort de son petit-fils Son Altesse Royale le prince Albert-Victor, duc de Clarence et Avondale, C.J., fils aîné de Leurs Altesses Royales le prince et la princesse de Galles.

J'ai aussi l'honneur d'y joindre copie d'un télégramme, daté du Château de Windsor, le 20e jour de janvier, dans lequel Leurs Altesses Royales le prince et la princesse de Galles expriment aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifesté à leur égard à la triste occasion de la perte de leur bien-aimé fils aîné.

Je n'ai aucun doute que ces deux touchants documents ont déjà été publiés dans la colonie que vous administrez, mais j'ai pensé qu'il serait à propos qu'ils vous fussent communiqués officiellement, afin qu'ils fassent partie des archives de la colonie.

J'ai l'honneur d'être,
Milord,
Votre très obéissant serviteur,
KNUTSFORD.

A l'Administrateur
du gouvernement du Canada.

WHITEHALL, 27 janvier 1892.

La lettre suivante a été reçue de la Reine par le Très-honorable Secrétaire d'Etat pour l'Intérieur :—

OSBORNE, 26 janvier 1892.

Je dois encore une fois exprimer ma haute appréciation de la loyauté et sympathie affectueuse manifestées par mes sujets par tout l'Empire à l'occasion la plus triste et tragique sauf une qui ait encore frappé moi et les miens ainsi que la nation. Le malheur accablant qui a soudainement enlevé mon bien-aimé petit-fils à la fleur de l'âge, plein de promesses pour l'avenir, aimable et soumis, cher à tous, rend difficile à ses parents affligés, sa chère jeune fiancée, et sa grand'-mère affectionnée, de se soumettre aux décrets inscrutables de la Providence.

La sympathie que des millions ont exprimée d'une manière si touchante et si visible, est doublement sensible à cette heure, et je veux, en mon nom et en celui de mes enfants, exprimer du plus profond de mon cœur, ma sincère gratitude à tous.

Ces témoignages de sympathie envers nous, et l'appréciation des qualités de mon cher petit-fils, que j'aimais à l'égal d'un fils, et dont le dévouement envers moi était aussi grand que celui d'un fils, seront un secours et une consolation pour moi et les miens dans notre affliction.

Durant les derniers trente ans de mon règne j'ai été affligée très douloureusement. Bien que les labeurs, les inquiétudes et les responsabilités inhérentes à ma position aient été considérables, cependant mon ardente prière est que Dieu me donne la santé et la force de travailler au bien-être et au bonheur de mon cher pays et de l'Empire tant que je vivrai.

VICTORIA, R.I.

Le télégramme officiel suivant a été reçu de Sir Francis Knollys, au Château de Windsor :—

“ Le Prince et la Princesse de Galles désirent exprimer aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifestés à leur égard à l'heure où ils étaient accablés par la terrible calamité qu'ils ont éprouvée dans la perte de leur bien-aimé fils aîné.

“ Si dans un tel moment la sympathie à quelque mérite, le souvenir que leur douleur a été partagée par toutes les classes sera une consolation durable pour leurs cœurs affligés, et, si c'est possible, les rendra encore plus attachés à leur cher pays.”

“Château de Windsor, 20 janvier 1892.” 36-4

AU CHATEAU D'OSBORNE, ILE DE WIGHT.

Le 30e jour de juillet 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

L'Archevêque de York.

Le Lord Président.

Le Lord du Sceau Privé.

Lord Arthur Hill.

CONSIDÉRANT que par un acte du parlement du Canada, passé en la 49e année du règne de Sa Majesté, chapitre 25, intitulé “ Acte modifiant de nouveau la loi concernant les territoires du Nord-Ouest,” une cour suprême d'archives de juridiction de première instance et d'appel a été constituée et établie dans et pour les territoires du Nord-Ouest, appelée “ La Cour Suprême des territoires du Nord-Ouest ” ;

Et considérant que par le chapitre 50 des Statuts Révisés du Canada, intitulé “ Acte des territoires du Nord-Ouest,” la dite cour est continuée sous le nom susdit, mais il n'a pas encore été fait de disposition pour la poursuite et le règlement des appels de la dite cour à Sa Majesté en conseil ;

Et considérant qu'il est à propos que des dispositions soient établies par le présent arrêté pour permettre aux parties d'interjeter appel des décisions de la dite cour à Sa Majesté en conseil,—il est par le présent ordonné, par Sa Très Excellente Majesté, par et avec l'avis de son Conseil privé, comme suit :—

1. Toute personne ou personnes pourront interjeter appel à Sa Majesté, ses héritiers et successeurs dans son ou leur Conseil privé, de tout jugement final, décret, ordre ou sentence de la dite Cour Suprême des territoires du Nord-Ouest, de la manière, dans le délai, et sous et sujet aux règles, règlements et limitations ci-après énumérés, savoir,—

Dans le cas où tel jugement, décret, ordre ou sentence sera donné, ou prononcé pour ou au sujet de toute somme ou matière en litige excédant la somme ou la valeur de trois cents louis sterling (£300), ou dans le cas où ce jugement, décret, ordre ou sentence affecterait directement ou indirectement une réclamation, demande ou question concernant ou se rattachant à des biens ou quelque droit civil s'élevant à ou de la valeur de trois cents louis sterling (£300), la personne ou les personnes se sentant lésées par tout tel jugement, décret, ordre ou sentence pourra, sous quatorze jours après qu'il aura été prononcé, fait ou donné, s'adresser à la dite cour par motion ou pétition pour permission d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé ;

Dans le cas où permission d'en appeler aura été demandée par la partie ou les parties qui est ou sont enjointes de payer toute telle somme de deniers ou de remplir un devoir quelconque la dite cour pourra soit ordonner que le jugement, décret, ordre ou sentence dont appel est interjeté soit mis à exécution, ou que l'exécution en soit suspendue pendant le dit appel, selon qu'il paraîtra à la dite cour le plus conforme à la justice véritable et essentielle ;

Et dans le cas où la dite cour ordonnera que ce jugement, décret, ordre ou sentence soit mis à exécution, la personne ou les personnes en faveur de qui ce jugement, décret ou sentence aura été rendu devra ou devront, avant son exécution, donner une garantie bonne et suffisante qui devra être approuvée par la dite cour, pour le fidèle accomplissement de tel ordre

que Sa Majesté, ses héritiers et successeurs croiront à propos de faire à l'égard de cet appel ;

Dans tous les cas une garantie sera aussi donnée par la personne ou les personnes appelantes sous forme de cautionnement ou hypothèque ou obligation personnelle n'excédant pas la valeur de cinq cents louis sterling (£500) pour la poursuite de l'appel, et le paiement de tous les frais qui seront adjugés par Sa Majesté, ses héritiers et successeurs, ou par le Comité judiciaire du Conseil privé de Sa Majesté, à la partie ou aux parties répondantes ; et si cette garantie en dernier lieu mentionnée est donnée sous les trois mois à compter de la date de telle motion ou pétition pour permission d'interjeter appel, alors, et non autrement, la dite cour admettra l'appel, et la partie ou les parties appelantes seront libres de présenter et poursuivre son ou leur appel à Sa Majesté, ses héritiers ou successeurs, en son ou leur Conseil privé, de telle manière et en vertu de tels règlements qui sont ou pourront être observés dans les appels faits à Sa Majesté des colonies ou plantations de Sa Majesté à l'étranger.

2. La dite Cour Suprême pourra, à sa discrétion, sur la motion ou pétition de toute personne qui se croit lésée par tout jugement préliminaire ou interlocutoire, décret, ordre ou sentence de la dite Cour Suprême, accorder permission à cette personne d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, sujet aux mêmes règles, règlements et limitations qui sont spécifiés dans le présent au sujet des appels de jugements, décrets, ordres et sentences définitifs.

3. Rien de contenu au présent n'aura l'effet ni ne sera censé avoir l'effet d'enlever ou restreindre le droit et l'autorité indéniables que possèdent Sa Majesté, ses héritiers et successeurs, sur l'humble pétition de toute personne ou personnes lésées par tout jugement ou décision de la dite cour, en aucun temps d'admettre son ou leur appel, aux conditions que Sa Majesté, ses héritiers et successeurs croiront à propos, et de renverser, corriger ou varier ce jugement ou décision selon que Sa Majesté, ses héritiers et successeurs jugeront convenable.

4. J'ai l'honneur d'être,
Milord,
Votre très obéissant serviteur,

EXTRAIT de la *Gazette de Londres*, de vendredi, le 27 novembre 1891.

TRAITÉ D'EXTRADITION ENTRE LA GRANDE-BRETAGNE ET LA RÉPUBLIQUE ORIENTALE DE L'URUGUAY.

AU CHATEAU DE WINDSOR,
24 novembre 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,
Le comte de Limerick,
Lord Walter Gordon-Lennox,
Sir James Fergusson, bart.,
M. A. J. Balfour,
Sir Charles Pearson.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par l'arrêté en conseil qui applique les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent, suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pour l'extradition mutuelle des criminels fugitifs ;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, daté le cinquième jour de mars mil huit cent quatre-vingt-cinq, il est décrété que les Actes d'extradition de 1870 et 1873 s'appliqueront dans le cas de la République Orientale de l'Uruguay ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un protocole a été conclu le vingtième jour de mars mil huit cent quatre-vingt-onze, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pourvoyant à l'extension de la période stipulée dans l'article IX du susdit traité du vingt-sixième jour de mars mil huit cent quatre-

vingt-quatre, lequel protocole est conçu dans les termes suivants :

"Monte Video le vingtième jour de mars mil huit cent quatre-vingt-onze, Leurs Excellences M. Ernest Mason Satow, compagnon de l'Ordre très distingué de Saint-Michel et Saint-George, ministre résident et consul général de Sa Majesté britannique, et le Dr Manuel Herrero y Espinosa, ministre des Affaires Etrangères, s'étant réunis au ministère des Affaires Etrangères dans le but de prendre des moyens pour prolonger la période stipulée dans l'article IX du traité d'extradition des criminels en vigueur entre leurs pays respectifs, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, et ayant échangé leurs pleins pouvoirs trouvés en bonne et due forme, ont adopté la déclaration suivante, laquelle sera censée former partie intégrante de la dite convention internationale :

"La période de trente jours fixée par l'article IX du traité pour l'extradition des criminels en vigueur entre la République Orientale de l'Uruguay et la Grande-Bretagne, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, ayant été trouvée tout à fait insuffisante, les deux gouvernements consentent à ce que la dite période soit désormais fixée à soixante jours.

"En foi de quoi les dits plénipotentiaires ont fait dresser le présent protocole en double, et ont signé les deux copies, et y ont apposé leurs cachets à la date ci-dessus citée.

"(L.S.) ERNEST MASON SATOW.
"(L.S.) MANUEL HERRERO Y ESPINOSA."

Et attendu que les ratifications du dit protocole ont été échangées à Monte Video le dix-septième jour de juillet mil huit cent quatre-vingt-onze.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le septième jour de décembre mil huit cent quatre-vingt-onze, les dits actes s'appliqueront dans le cas du dit protocole du vingtième jour de mars mil huit cent quatre-vingt-onze aussi amplement à toutes fins et intentions que dans le cas du traité précité en date du vingt-sixième jour de mars mil huit cent quatre-vingt-quatre.

Pourvu, toujours, et il est de plus par le présent ordonné que l'opération des dits Actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, en tant qu'il s'agit de la République Orientale de l'Uruguay et des dits traité et protocole, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps.

Samedi, le 20e jour de février 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

(CONSIDÉRANT que la pêche avec rets à enclos) devrait être restreinte à des bornes aussi raisonnables que possible, et que la grandeur des mailles de ce genre d'engin de pêche devrait être fixée de manière à permettre au jeune poisson qui n'a pas atteint sa maturité de s'en échapper, et ainsi empêcher le gaspillage et la destruction qui se fait actuellement,—

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir les règlements de pêche suivants, qui s'appliqueront à toute pêche avec rets à enclos dans les eaux douces de diverses provinces du Canada, sauf le Manitoba et les Territoires du Nord-Ouest, où des règlements existent déjà :—

Pêche avec rets à enclos.

1. Nulle personne, compagnie ou société ne pêchera avec un rets à enclos sans avoir d'abord obtenu une licence.

2. Les enclos, pots, bols, cœurs ou tunnels des rets à enclos auront au moins 4 pouces d'extension, et les conduits au moins 6 pouces d'extension ; et rien ne sera fait qui aura pour effet de réduire ces dimensions.

3. L'usage des rets à enclos à double entrée est défendu.

4. L'honoraire payable pour chaque licence de rets à enclos sera de \$50.

5. Les licences de rets à enclos ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence. Le requérant décrira aussi dans sa demande l'endroit, la dimension des rets, la longueur du conduit, le genre de bateau ou de bateaux qui seront employés, et les espèces de poisson qu'ils se proposent de prendre.

6. Tous rets, matériaux, instruments ou appareils employés, et tout poisson pris ou tué en contravention des règlements seront saisis et confisqués, et toute personne ou personnes qui enfreindra ou enfreindront les présents règlements encourront les peines édictées par l'Acte des pêcheries.

7. Les pots, enclos, bols, cœurs ou tunnels des rets à enclos seront relevés, ouverts ou disposés de manière à laisser librement circuler le poisson, et à lui permettre de les traverser ou d'en sortir, depuis 6 heures chaque samedi soir jusqu'à 6 heures chaque lundi matin suivant ; et durant cet intervalle, il ne sera permis à personne de prendre du poisson d'aucune manière ; les rets à enclos ne seront non plus employés ou utilisés de manière à prendre ou tuer du poisson d'aucune espèce pendant les saisons réservées annuelles qui ont été ou pourront être établies par l'Acte des pêcheries ou les règlements faits en vertu de cet acte, mais si quelque poisson était pris par hasard dans ces rets pendant ces saisons réservées, il sera immédiatement remis en liberté, et tout poisson ainsi pris ou tué, et non mis en liberté pendant le susdit "temps réservé" ainsi que les rets et autres engins employés seront confisqués.

8. Nulle compagnie, société, commerçant ou personne n'emploiera, ni n'aura de licence d'employer plus de 5 rets à enclos.

9. Pour le renseignement des personnes qui obtiennent des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence, ou y seront annexés.

10. Les présents règlements s'appliqueront à la pêche avec rets à enclos dans toutes les eaux douces du Canada, sauf celles des provinces du Manitoba et des Territoires du Nord-Ouest.

11. Aucun rets à enclos ne sera placé à moins d'un mille l'un de l'autre, et la longueur des conduits à chaque rets à enclos sera fixée par un gardien des pêcheries.

12. Les susdits règlements deviendront exécutoires le 1er jour de janvier 1893.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

VU le dommage causé aux pêcheries de mer par la coutume de laisser les rets à maquereau à l'eau pendant le jour, et les résultats bienfaisants qui s'en suivraient si ces rets étaient relevés entre 9 a.m. et 5 p.m., il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire le règlement de pêche suivant :

Et considérant que certains colons islandais se sont établis sur ces terres par inadvertance sous l'impression qu'elles appartenaient au gouvernement fédéral ;

Et considérant que le 17e jour de novembre 1891, un arrêté de Son Honneur le lieutenant-gouverneur du Manitoba en conseil a été passé, attribuant les terrains ci-dessus mentionnés au gouvernement fédéral afin qu'ils pussent être concédés comme homesteads aux susdits colons, à condition qu'en leur lieu et place il fût fait au gouvernement provincial un octroi de la moitié est de la section 16 et du quart nord-ouest de la section 18, township 18, rang 3, à l'ouest du 1er méridien,--

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

DESPATCHES.

(Circular.)

DOWNING STREET,
1st February, 1892.

MY LORD,—I have the honour to transmit to you a copy of a letter from the Queen expressing Her Majesty's deep sense of the loyalty and affectionate sympathy evinced by Her subjects in every part of Her Empire on the sad occasion of the death of Her Grandson, His Royal Highness Prince Albert Victor, Duke of Clarence and Avondale, K.G., eldest son of Their Royal Highnesses the Prince and Princess of Wales.

I have also the honour to enclose a copy of a telegram, dated Windsor Castle, the 20th of January, in which Their Royal Highnesses the Prince and Princess of Wales express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them on the sad occasion of the loss of their beloved eldest son.

I have no doubt that both these touching documents have been already published in the colony under your Government, but I have thought it right that they should be communicated to you officially for record in the archives of the colony.

I have the honour to be,

My Lord,

Your most obedient, humble Servant,

KNUTSFORD.

The Officer Administering
the Government of Canada.

WHITEHALL, 27th January, 1892.

The following letter from The Queen has been received by the Right Honourable the Secretary of State for the Home Department :—

OSBORNE, 26th January, 1892.

I must once again give expression to my deep sense of the loyalty and affectionate sympathy evinced by my subjects in every part of my Empire on an occasion more sad and tragical than any but one which has befallen me and mine, as well as the Nation. The overwhelming misfortune of my dearly loved grandson having been thus suddenly cut off in the flower of his age, full of promise for the future, amiable and gentle, and endearing himself to all, renders it hard for his sorely stricken parents, his dear young bride, and his fond grandmother to bow in submission to the inscrutable decrees of Providence.

The sympathy of millions, which has been so touchingly and visibly expressed, is deeply gratifying at such a time, and I wish, both in my own name and that of my children, to express, from my heart, my warm gratitude to all.

These testimonies of sympathy with us, and appreciation of my dear grandson, whom I loved as a son, and whose devotion to me was as great as that of a son, will be a help and consolation to me and mine in our affliction.

My bereavements during the last thirty years of my reign have indeed been heavy. Though the labours, anxieties, and responsibilities inseparable from my position have been great, yet it is my earnest prayer that God may continue to give me health and strength to work for the good and happiness of my dear Country and Empire while life lasts.

VICTORIA, R.I.

The following official telegram has been received from Sir Francis Knollys, at Windsor Castle :—

"The Prince and Princess of Wales are anxious to express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them at a time when they are overpowered by the terrible calamity which they have sustained in the loss of their beloved eldest son.

"If sympathy at such a moment is of any avail, the remembrance that their grief has been shared by all classes will be a lasting consolation to their sorrowing hearts, and, if possible, will make them more than ever attached to their dear country."

"Windsor Castle, January 20, 1892."

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT.

The 30th day of July, 1891.

PRESENT :

The QUEEN'S Most Excellent Majesty.

Archbishop of York.

Lord President.

Lord Privy Seal.

Lord Arthur Hill.

WHEREAS by an Act of the Parliament of Canada passed in the 49th year of Her Majesty's reign, chapter 25, intituled "An Act further to amend the law respecting the North-West Territories," a Supreme Court of Record of Original and Appellate Jurisdiction was constituted and established in and for the North-West Territories, called "The Supreme Court of the North-West Territories";

And whereas by chapter 50 of the Revised Statutes of Canada, intituled "The North-West Territories Act," the said court was continued under the name aforesaid, but no provision has yet been made for the prosecution and regulation of appeals to Her Majesty in Council from the said court;

And whereas it is expedient that provision should be made by this Order to enable parties to appeal from the decisions of the said court to Her Majesty in Council,—it is hereby ordered, by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, as follows :

1. Any person or persons may appeal to Her Majesty, her heirs and successors, in her or their Privy Council, from any final judgment, decree, order or sentence of the said Supreme Court of the North-West Territories in such manner, within such time, and under and subject to such rules, regulations and limitations as are hereinafter mentioned, that is to say,—

In case any such judgment, decree, order, or sentence shall be given or pronounced for or in respect of any sum or matter at issue above the amount or value of three hundred pounds sterling (£300), or in case such judgment, decree, order or sentence shall involve directly or indirectly any claim, demand, or question to or respecting property or any civil right amounting to or of the value of three hundred pounds sterling (£300), the person or persons feeling aggrieved by any such judgment, decree, order or sentence may, within fourteen days next after the same shall have been pronounced, made or given, apply to the said court by motion or petition for leave to appeal therefrom to Her Majesty, her heirs and successors, in her or their Privy Council;

In case such leave to appeal shall be prayed by the party or parties who is or are directed to pay any such sum of money or perform any duty, the said court may either direct that the judgment, decree,

order, or sentence appealed from shall be carried into execution, or that the execution thereof shall be suspended pending the said appeal, as to the said court may appear to be most consistent with real and substantial justice;

And in case the said court shall direct such judgment, decree, order, or sentence to be carried into execution, the person or persons in whose favour the same shall be given shall, before the execution thereof, enter into good and sufficient security to be approved by the said court, for the due performance of such order as Her Majesty, her heirs and successors shall think fit to make upon such appeal;

In all cases security shall also be given by the party or parties appellant in a bond or mortgage or personal recognizance not exceeding the value of five hundred pounds sterling (£500) for the prosecution of the appeal, and the payment of all such costs as may be awarded by Her Majesty, her heirs and successors, or by the Judicial Committee of Her Majesty's Privy Council, to the party or parties respondent; and if such last-mentioned security shall be entered into within three months from the date of such motion or petition for leave to appeal, then, and not otherwise the said court shall admit the appeal, and the party or parties appellant shall be at liberty to prefer and prosecute his, her, or their appeal to Her Majesty, her heirs and successors, in her or their Privy Council, in such manner and under such rules as are or may be observed in appeals made to Her Majesty from Her Majesty's colonies and plantations abroad.

2. It shall be lawful for the said Supreme Court, at its discretion, on the motion or petition of any party who considers himself aggrieved by any preliminary or interlocutory judgment, decree, order, or sentence of the said Supreme Court, to grant permission to such party to appeal against the same to Her Majesty, her heirs and successors, in her or their Privy Council, subject to the same rules, regulations, and limitations as are herein expressed respecting appeals from final judgments, decrees, orders, and sentences.

3. Nothing herein contained doth or shall extend or be construed to extend to take away or abridge the undoubted right and authority of Her Majesty, her heirs and successors, upon the humble petition of any person or persons aggrieved by any judgment or determination of the said court, at any time to admit his, her, or their appeal therefrom, upon such terms as Her Majesty, her heirs or successors, shall think fit, and to reverse, correct, or vary such judgment or determination in such manner as to Her Majesty, her heirs and successors, shall seem meet.

4. In all cases of appeal admitted by the said court, or by Her Majesty, her heirs or successors, the said court shall certify and transmit to Her Majesty, her heirs or successors, in her or their Privy Council, a true and exact copy of all evidence, proceedings, judgments, decrees, and orders had or made in such cases appealed so far as the same have relation to the matter of appeal, such copies to be certified under the seal of the said court, and the said court shall also certify and transmit to Her Majesty, her heirs and successors, in her or their Privy Council, a copy of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against, where such reasons shall have been given in writing, and where such reasons shall have been given orally, then a statement in writing of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against.

5. The said court shall, in all cases of appeal to Her Majesty, her heirs or successors, conform to and execute or cause to be executed such judgments and orders as Her Majesty, her heirs and successors shall think fit to make in the premises in such manner as any original judgment, decree, or decretal order, or other order or rule of the said court should or might have been executed.

And the Right Honourable Lord Knutsford, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

WHEREAS in the Order in Council of the 10th February, 1888, respecting the main highway across a quarter of Section 24, Township 48, Range 26, west of the 2nd Initial Meridian, such quarter section is erroneously described as the south-west quarter instead of the south-east quarter of the said Section 24,—

“Whereas, the Lieutenant Governor of the North-West Territories having requested that the location of the main highway across the south-east quarter of Section 24, Township 48, Range 26, west of the second Initial Meridian might be changed, this road was surveyed by Milner Hart, D.L.S., in the year 1885, and transferred to the Lieutenant Governor in Council as directed by the North-West Territories Act, but a subsequent survey by Colonel A. Sproat, D.L.S., showed that the location of the travelled road is slightly different from the line previously located,—

NOTICE TO MARINERS.
No. 3 of 1892.

I. DISCONTINUANCE OF TABUSINTAC LIGHT.

From and after the opening of navigation next spring, the fixed red light on Crab Island, Tabusintac, in the County of Northumberland, New Brunswick, on the west coast of the Gulf of St. Lawrence, will be discontinued, and the tower removed, as the gully is too shallow and intricate for navigation at night.

This notice affects Admiralty Charts Nos. 1715, 2034 and 2516, and Canadian List of Lights and Fog Signals No. 279.

II. APPROACHES TO EASTPORT HARBOUR, MAINE.

The channel through Lubec narrows can be used by large vessels, having been dredged to 12 feet at low water. Vessels drawing 18 feet can safely pass through at high water slack with the assistance of a tug boat.

Vessels do not use the passage between Indian Island and Deer Island, on account of the whirlpools off Deer Point.

Dochet Island Shoal, St. Croix River, is marked by two red spar buoys, one at the northern extremity and the other at its southern.

This notice affects Admiralty charts Nos. 352, 2013, 2020 and 2670.

DÉPÊCHES.

(Circulaire.)

DOWNING STREET,
1er février 1892.

MILORD,—J'ai l'honneur de vous transmettre copie d'une lettre de la Reine dans laquelle Sa Majesté apprécie hautement la loyauté et la sympathie affectueuse manifestées par ses sujets par tout son Empire en la pénible occasion de la mort de son petit-fils Son Altesse Royale le prince Albert-Victor, duc de Clarence et Avondale, C.J., fils aîné de Leurs Altesses Royales le prince et la princesse de Galles.

J'ai aussi l'honneur d'y joindre copie d'un télégramme, daté du Château de Windsor, le 20e jour de janvier, dans lequel Leurs Altesses Royales le prince et la princesse de Galles expriment aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifesté à leur égard à la triste occasion de la perte de leur bien-aimé fils aîné.

Je n'ai aucun doute que ces deux touchants documents ont déjà été publiés dans la colonie que vous administrez, mais j'ai pensé qu'il serait à propos qu'ils vous fussent communiqués officiellement, afin qu'ils fassent partie des archives de la colonie.

J'ai l'honneur d'être,

Milord,

Votre très obéissant serviteur,

KNUTSFORD.

A l'Administrateur
du gouvernement du Canada.

WHITEHALL, 27 janvier 1892.

La lettre suivante a été reçue de la Reine par le Très-honorable Secrétaire d'Etat pour l'Intérieur :—

OSBORNE, 23 janvier 1892.

Je dois encore une fois exprimer ma haute appréciation de la loyauté et sympathie affectueuse mani-

festées par mes sujets par tout l'Empire à l'occasion la plus triste et tragique sauf une qui ait encore frappé moi et les miens ainsi que la nation. Le malheur accablant qui a soudainement enlevé mon bien-aimé petit-fils à la fleur de l'âge, plein de promesses pour l'avenir, aimable et soumis, cher à tous, rend difficile à ses parents affligés, sa chère jeune fiancée, et sa grand'-mère affectionnée, de se soumettre aux décrets inscrutables de la Providence.

La sympathie que des millions ont exprimée d'une manière si touchante et si visible, est doublement sensible à cette heure, et je veux, en mon nom et en celui de mes enfants, exprimer du plus profond de mon cœur, ma sincère gratitude à tous.

Ces témoignages de sympathie envers nous, et l'appréciation des qualités de mon cher petit-fils, que j'aimais à l'égal d'un fils, et dont le dévouement envers moi était aussi grand que celui d'un fils, seront un secours et une consolation pour moi et les miens dans notre affliction.

Durant les derniers trente ans de mon règne j'ai été affligée très douloureusement. Bien que les labeurs, les inquiétudes et les responsabilités inhérentes à ma position aient été considérables, cependant mon ardente prière est que Dieu me donne la santé et la force de travailler au bien-être et au bonheur de mon cher pays et de l'Empire tant que je vivrai.

VICTORIA, R.I.

Le télégramme officiel suivant a été reçu de Sir Francis Knollys, au Château de Windsor :—

“ Le Prince et la Princesse de Galles désirent exprimer aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifestés à leur égard à l'heure où ils étaient accablés par la terrible calamité qu'ils ont éprouvée dans la perte de leur bien-aimé fils aîné.

“ Si dans un tel moment la sympathie à quelque mérite, le souvenir que leur douleur a été partagée par toutes les classes sera une consolation durable pour leurs cœurs affligés, et, si c'est possible, les rendra encore plus attachés à leur cher pays.”

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

L'Archevêque de York.

Le Lord Président.

Le Lord du Sceau Privé.

Lord Arthur Hill.

CONSIDÉRANT que par un acte du parlement du Canada, passé en la 49e année du règne de Sa Majesté, chapitre 25, intitulé “ Acte modifiant de nouveau la loi concernant les territoires du Nord-Ouest,” une cour suprême d'archives de juridiction de première instance et d'appel a été constituée et établie dans et pour les territoires du Nord-Ouest, appelée “ La Cour Suprême des territoires du Nord-Ouest ” ;

Et considérant que par le chapitre 50 des Statuts Révisés du Canada, intitulé “ Acte des territoires du Nord-Ouest,” la dite cour est continuée sous le nom susdit, mais il n'a pas encore été fait de disposition pour la poursuite et le règlement des appels de la dite cour à Sa Majesté en conseil ;

Et considérant qu'il est à propos que des dispositions soient établies par le présent arrêté pour permettre aux parties d'interjeter appel des décisions de la dite cour à Sa Majesté en conseil,—il est par le présent ordonné, par Sa Très Excellente Majesté, par et avec l'avis de son Conseil privé, comme suit :—

1. Toute personne ou personnes pourront interjeter appel à Sa Majesté, ses héritiers et successeurs dans son ou leur Conseil privé, de tout jugement final, décret, ordre ou sentence de la dite Cour Suprême des territoires du Nord-Ouest, de la manière, dans le délai, et sous et sujet aux règles, règlements et limitations ci-après énumérés, savoir,—

Dans le cas où tel jugement, décret, ordre ou sentence sera donné, ou prononcé pour ou au sujet de toute somme ou matière en litige excédant la somme

ou la valeur de trois cents louis sterling (£300), ou dans le cas où ce jugement, décret, ordre ou sentence affecterait directement ou indirectement une réclamation, demande ou question concernant ou se rattachant à des biens ou quelque droit civil s'élevant à ou de la valeur de trois cents louis sterling (£300), la personne ou les personnes se sentant lésées par tout tel jugement, décret, ordre ou sentence pourra, sous quatorze jours après qu'il aura été prononcé, fait ou donné, s'adresser à la dite cour par motion ou pétition pour permission d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé ;

Dans le cas où permission d'en appeler aura été demandée par la partie ou les parties qui est ou sont enjointes de payer toute telle somme de deniers ou de remplir un devoir quelconque la dite cour pourra soit ordonner que le jugement, décret, ordre ou sentence dont appel est interjeté soit mis à exécution, ou que l'exécution en soit suspendue pendant le dit appel, selon qu'il paraîtra à la dite cour le plus conforme à la justice véritable et essentielle ;

Et dans le cas où la dite cour ordonnera que ce jugement, décret, ordre ou sentence soit mis à exécution, la personne ou les personnes en faveur de qui ce jugement, décret ou sentence aura été rendu devra ou devront, avant son exécution, donner une garantie bonne et suffisante qui devra être approuvée par la dite cour, pour le fidèle accomplissement de tel ordre que Sa Majesté, ses héritiers et successeurs croiront à propos de faire à l'égard de cet appel ;

Dans tous les cas une garantie sera aussi donnée par la personne ou les personnes appelantes sous forme de cautionnement ou hypothèque ou obligation personnelle n'excédant pas la valeur de cinq cents louis sterling (£500) pour la poursuite de l'appel, et le paiement de tous les frais qui seront adjugés par Sa Majesté, ses héritiers et successeurs, ou par le Comité judiciaire du Conseil privé de Sa Majesté, à la partie ou aux parties répondantes ; et si cette garantie en dernier lieu mentionnée est donnée sous les trois mois à compter de la date de telle motion ou pétition pour permission d'interjeter appel, alors, et non autrement, la dite cour admettra l'appel, et la partie ou les parties appelantes seront libres de présenter et poursuivre son ou leur appel à Sa Majesté, ses héritiers ou successeurs, en son ou leur Conseil privé, de telle manière et en vertu de tels règlements qui sont ou pourront être observés dans les appels faits à Sa Majesté des colonies ou plantations de Sa Majesté à l'étranger.

2. La dite Cour Suprême pourra, à sa discrétion, sur la motion ou pétition de toute personne qui se croit lésée par tout jugement préliminaire ou interlocutoire, décret, ordre ou sentence de la dite Cour Suprême, accorder permission à cette personne d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, sujet aux mêmes règles, règlements et limitations qui sont spécifiés dans le présent au sujet des appels de jugements, décrets, ordres et sentences définitifs.

3. Rien de contenu au présent n'aura l'effet ni ne sera censé avoir l'effet d'enlever ou restreindre le droit et l'autorité indéfinies que possèdent Sa Majesté, ses héritiers et successeurs, sur l'humble pétition de toute personne ou personnes lésées par tout jugement ou décision de la dite cour, en aucun temps d'admettre son ou leur appel, aux conditions que Sa Majesté, ses héritiers et successeurs croiront à propos, et de renverser, corriger ou varier ce jugement ou décision selon que Sa Majesté, ses héritiers et successeurs jugeront convenable.

4. Dans tous les cas d'appel admis par la dite cour, ou par Sa Majesté, ses héritiers ou successeurs, la dite cour certifiera et transmettra à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, une copie exacte et fidèle de toute preuve, procédures, jugements, décrets et ordres rendus ou faits dans les causes en appel, en tant qu'ils se rapportent à la matière de l'appel, ces copies seront attestées par le sceau de la dite cour, et la dite cour certifiera et transmettra aussi à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie des raisons données par les juges de telle cour, ou par aucun de ces juges, pour ou contre le jugement ou décision dont appel est interjeté, lorsque ces raisons auront été données par écrit, et lorsque ces raisons auront été données oralement, alors

un énoncé par écrit des raisons données par les juges de telle cour, ou par aucun des dits juges, pour ou contre le jugement ou décision dont appel est interjeté.

5. Dans tous cas d'appel à Sa Majesté, ses héritiers ou successeurs, la dite cour se conformera et exécutera ou fera exécuter tels jugements et ordres que Sa Majesté, et ses héritiers ou successeurs croiront bon de rendre dans l'affaire, de la même manière que tout jugement, décret, ou ordre décrétaire de première instance, ou autre ordre ou règle de la dite cour aurait dû ou aurait pu être exécuté.

Et le Très-honorable Lord Knutsford, un des principaux secrétaires d'Etat de Sa Majesté donnera les instructions nécessaires en conséquence.

MILORD,—Vu la dépêche circulaire de mon prédécesseur, en date du 16e jour de mars 1885, j'ai l'honneur de vous transmettre, pour qu'elle soit publiée dans la colonie que vous administrez, copie d'un arrêté de Sa Majesté la Reine en conseil, daté le 24e jour de novembre 1891, pour donner effet au protocole entre Sa Majesté et le Président de la République Orientale de l'Uruguay, conclu à Monte Video le 20e jour de mars 1891, dont les ratifications ont été échangées à Monte Video le 17e jour de juillet 1891, à l'effet de prolonger la période stipulée dans l'article IX du traité du 26 mars 1884, pour l'extradition mutuelle des criminels fugitifs.

J'ai l'honneur d'être,

EXTRAIT de la *Gazette de Londres*, de vendredi, le 27 novembre 1891.

TRAITÉ D'EXTRADITION ENTRE LA GRANDE-BRETAGNE ET LA RÉPUBLIQUE ORIENTALE DE L'URUGUAY.

AU CHATEAU DE WINDSOR,

24 novembre 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,

Le comte de Limerick,

Lord Walter Gordon-Lennox,

Sir James Fergusson, bart.,

M. A. J. Balfour,

Sir Charles Pearson.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par l'arrêté en conseil qui applique les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent, suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, et pas plus longtemps;

Et considérant qu'un traité a été conclu le vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pour l'extradition mutuelle des criminels fugitifs;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, daté le cinquième jour de mars mil huit cent quatre-vingt-cinq, il est décrété que les Actes d'extradition de 1870 et 1873 s'appliqueront dans le cas de la République Orientale de l'Uruguay;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps;

Et considérant qu'un protocole a été conclu le vingtième jour de mars mil huit cent quatre-vingt-onze, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pourvoyant à l'extension de la période stipulée dans l'article IX du susdit traité du vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, lequel protocole est conçu dans les termes suivants:

"Monte Video le vingtième jour de mars mil huit cent quatre-vingt-onze, Leurs Excellences M. Ernest Mason Satow, compagnon de l'Ordre très distingué de Saint-Michel et Saint-George, ministre résident et consul général de Sa Majesté britannique, et le Dr Manuel Herrero y Espinosa, ministre des Affaires Etrangères, s'étant réunis au ministère des Affaires Etrangères dans le but de prendre des moyens pour prolonger la période stipulée dans l'article IX du traité d'extradition des criminels en vigueur entre leurs pays respectifs, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, et ayant échangé leurs pleins pouvoirs trouvés en bonne et due forme, ont adopté la déclaration suivante, laquelle sera censée former partie intégrante de la dite convention internationale:

"La période de trente jours fixée par l'article IX du traité pour l'extradition des criminels en vigueur entre la République Orientale de l'Uruguay et la Grande-Bretagne, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, ayant été trouvée tout à fait insuffisante, les deux gouvernements consentent à ce que la dite période soit désormais fixée à soixante jours.

"En foi de quoi les dits plénipotentiaires ont fait dresser le présent protocole en double, et ont signé les deux copies, et y ont apposé leurs cachets à la date ci-dessus citée.

"(L.S.)

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 20e jour de février 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que la pêche avec rets à enclos devrait être restreinte à des bornes aussi raisonnables que possible, et que la grandeur des mailles de ce genre d'engin de pêche devrait être fixée de manière à permettre au jeune poisson qui n'a pas atteint sa maturité de s'en échapper, et ainsi empêcher le gaspillage et la destruction qui se fait actuellement,—

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir les règlements de pêche suivants, qui s'appliqueront à toute pêche avec rets à enclos dans les eaux douces de diverses provinces du Canada, sauf le Manitoba et les Territoires du Nord-Ouest, où des règlements existent déjà :—

Pêche avec rets à enclos.

1. Nulle personne, compagnie ou société ne pêchera avec un rets à enclos sans avoir d'abord obtenu une licence.

2. Les enclos, pots, bols, cœurs ou tunnels des rets à enclos auront au moins 4 pouces d'extension, et les conduits au moins 6 pouces d'extension ; et rien ne sera fait qui aura pour effet de réduire ces dimensions.

3. L'usage des rets à enclos à double entrée est défendu.

4. L'honoraire payable pour chaque licence de rets à enclos sera de \$50.

5. Les licences de rets à enclos ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence. Le requérant décrira aussi dans sa demande l'endroit, la dimension des rets, la longueur du conduit, le genre de bateau ou de bateaux qui seront employés, et les espèces de poisson qu'ils se proposent de prendre.

6. Tous rets, matériaux, instruments ou appareils employés, et tout poisson pris ou tué en contravention des règlements seront saisis et confisqués, et toute personne ou personnes qui enfreindra ou enfreindront les présents règlements encourront les peines édictées par l'Acte des pêcheries.

7. Les pots, enclos, bols, cœurs ou tunnels des rets à enclos seront relevés, ouverts ou disposés de manière à laisser librement circuler le poisson, et à lui permettre de les traverser ou d'en sortir, depuis 6 heures chaque samedi soir jusqu'à 6 heures chaque lundi matin suivant ; et durant cet intervalle, il ne sera permis à personne de prendre du poisson d'aucune manière ; les rets à enclos ne seront non plus employés ou utilisés de manière à prendre ou tuer du

poisson d'aucune espèce pendant les saisons réservées annuelles qui ont été ou pourront être établies par l'Acte des pêcheries ou les règlements faits en vertu de cet acte, mais si quelque poisson était pris par hasard dans ces rets pendant ces saisons réservées, il sera immédiatement remis en liberté, et tout poisson ainsi pris ou tué, et non mis en liberté pendant le susdit "temps réservé" ainsi que les rets et autres engins employés seront confisqués.

8. Nulle compagnie, société, commerçant ou personne n'emploiera, ni n'aura de licence d'employer plus de 5 rets à enclos.

9. Pour le renseignement des personnes qui obtiennent des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence, ou y seront annexés.

10. Les présents règlements s'appliqueront à la pêche avec rets à enclos dans toutes les eaux douces du Canada, sauf celles des provinces du Manitoba et des Territoires du Nord-Ouest.

11. Aucun rets à enclos ne sera placé à moins d'un mille l'un de l'autre, et la longueur des conduits à chaque rets à enclos sera fixée par un gardien des pêcheries.

12. Les susdits règlements deviendront exécutoires le 1er jour de janvier 1893.

VOU le dommage causé aux pêcheries de mer par la coutume de laisser les rets à maquereau à l'eau pendant le jour, et les résultats bienfaisants qui s'en suivraient si ces rets étaient relevés entre 9 a.m. et 5 p.m., il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire le règlement de pêche suivant :

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été révisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débetures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisible et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allegations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

DESPATCHES.

(Circular.)

DOWNING STREET,
1st February, 1892.

MY LORD,—I have the honour to transmit to you a copy of a letter from the Queen expressing Her Majesty's deep sense of the loyalty and affectionate sym-

pathy evinced by Her subjects in every part of Her Empire on the sad occasion of the death of Her Grandson, His Royal Highness Prince Albert Victor, Duke of Clarence and Avondale, K.G., eldest son of Their Royal Highnesses the Prince and Princess of Wales.

I have also the honour to enclose a copy of a telegram, dated Windsor Castle, the 20th of January, in which Their Royal Highnesses the Prince and Princess of Wales express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them on the sad occasion of the loss of their beloved eldest son.

I have no doubt that both these touching documents have been already published in the colony under your Government, but I have thought it right that they should be communicated to you officially for record in the archives of the colony.

I have the honour to be,

My Lord,

Your most obedient, humble Servant,

KNUTSFORD.

The Officer Administering
the Government of Canada.

WHITEHALL, 27th January, 1892.

The following letter from The Queen has been received by the Right Honourable the Secretary of State for the Home Department :—

OSBORNE, 26th January, 1892.

I must once again give expression to my deep sense of the loyalty and affectionate sympathy evinced by my subjects in every part of my Empire on an occasion more sad and tragical than any but one which has befallen me and mine, as well as the Nation. The overwhelming misfortune of my dearly loved grandson having been thus suddenly cut off in the flower of his age, full of promise for the future, amiable and gentle, and endearing himself to all, renders it hard for his sorely stricken parents, his dear young bride, and his fond grandmother to bow in submission to the inscrutable decrees of Providence.

The sympathy of millions, which has been so touchingly and visibly expressed, is deeply gratifying at such a time, and I wish, both in my own name and that of my children, to express, from my heart, my warm gratitude to all.

These testimonies of sympathy with us, and appreciation of my dear grandson, whom I loved as a son, and whose devotion to me was as great as that of a son, will be a help and consolation to me and mine in our affliction.

My bereavements during the last thirty years of my reign have indeed been heavy. Though the labours, anxieties, and responsibilities inseparable from my position have been great, yet it is my earnest prayer that God may continue to give me health and strength to work for the good and happiness of my dear Country and Empire while life lasts.

VICTORIA, R.I.

The following official telegram has been received from Sir Francis Knollys, at Windsor Castle :—

"The Prince and Princess of Wales are anxious to express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them at a time when they are overpowered by the terrible calamity which they have sustained in the loss of their beloved eldest son.

"If sympathy at such a moment is of any avail, the remembrance that their grief has been shared by all classes will be a lasting consolation to their sorrowing hearts, and, if possible, will make them more than ever attached to their dear country."

"Windsor Castle, January 20, 1892."

And whereas, subsequent to the date of this order and the passing of the lands to the Province of Manitoba, four Belgian settlers, in error, went into residence and made improvements upon this Section, and, in order not to disturb these settlers, the Government of Manitoba, by an Order in Council dated 28th December, 1889, transferred the said Section 20 back to the Dominion Government, agreeing to accept other lands of equal value in exchange, and the Provincial authorities have notified the Department of the Interior that they have selected Section 24, in Township 6, Range 11, west of the 1st Meridian, which land is available for the purpose,—

I. DISCONTINUANCE OF TABUSINTAC LIGHT.

From and after the opening of navigation next spring, the fixed red light on Crab Island, Tabusintac, in the County of Northumberland, New Brunswick, on the west coast of the Gulf of St. Lawrence, will be discontinued, and the tower removed, as the gully is too shallow and intricate for navigation at night.

The channel through Lubec narrows can be used by large vessels, having been dredged to 12 feet at low water. Vessels drawing 18 feet can safely pass through at high water slack with the assistance of a tug boat.

Vessels do not use the passage between Indian Island and Deer Island, on account of the whirlpools off Deer Point.

Dochet Island Shoal, St. Croix River, is marked by two red spar buoys, one at the northern extremity and the other at its southern.

This notice affects Admiralty charts Nos. 352, 2013, 2020 and 2670.

III. MACHIAS BAY, MAINE.

The following information is from the same sources: Larrabees Cove and Sanborns Cove are both dry at low water.

Bucks Harbour has not more than 15 feet at the anchorage.

DÉPÊCHES.

(Circulaire.)

DOWNING STREET,
1er février 1892.

MILORD,—J'ai l'honneur de vous transmettre copie d'une lettre de la Reine dans laquelle Sa Majesté apprécie hautement la loyauté et la sympathie affectueuse manifestées par ses sujets par tout son Empire en la pénible occasion de la mort de son petit-fils Son Altesse Royale le prince Albert-Victor, duc de Clarence et Avondale, C.J., fils aîné de Leurs AltesSES Royales le prince et la princesse de Galles.

J'ai aussi l'honneur d'y joindre copie d'un télégramme, daté du Château de Windsor, le 20e jour de janvier, dans lequel Leurs AltesSES Royales le prince et la princesse de Galles expriment aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifesté à leur égard à la triste occasion de la perte de leur bien-aimé fils aîné.

Je n'ai aucun doute que ces deux touchants documents ont déjà été publiés dans la colonie que vous administrez, mais j'ai pensé qu'il serait à propos qu'ils vous fussent communiqués officiellement, afin qu'ils fassent partie des archives de la colonie.

J'ai l'honneur d'être,

Milord,

Votre très obéissant serviteur,

KNUTSFORD.

A l'Administrateur

du gouvernement du Canada.

WHITEHALL, 27 janvier 1892.

La lettre suivante a été reçue de la Reine par le Très-honorable Secrétaire d'Etat pour l'Intérieur :—

OSBORNE, 23 janvier 1892.

Je dois encore une fois exprimer ma haute appréciation de la loyauté et sympathie affectueuse manifestées par mes sujets par tout l'Empire à l'occasion la plus triste et tragique sauf une qui ait encore frappé moi et les miens ainsi que la nation. Le malheur accablant qui a soudainement enlevé mon bien-aimé petit-fils à la fleur de l'âge, plein de promesses pour l'avenir, aimable et soumis, cher à tous, rend difficile à ses parents affligés, sa chère jeune fiancée, et sa grand-mère affectionnée, de se soumettre aux décrets inscrutables de la Providence.

La sympathie que des millions ont exprimée d'une manière si touchante et si visible, est doublement sensible à cette heure, et je veux, en mon nom et en celui de mes enfants, exprimer du plus profond de mon cœur, ma sincère gratitude à tous.

Ces témoignages de sympathie envers nous, et l'appréciation des qualités de mon cher petit-fils, que j'aimais à l'égal d'un fils, et dont le dévouement envers moi était aussi grand que celui d'un fils, seront un secours et une consolation pour moi et les miens dans notre affliction.

Durant les derniers trente ans de mon règne j'ai été affligée très douloureusement. Bien que les labeurs, les inquiétudes et les responsabilités inhérentes à ma position aient été considérables, cependant mon ardente prière est que Dieu me donne la santé et la force de travailler au bien-être et au bonheur de mon cher pays et de l'Empire tant que je vivrai.

VICTORIA, R.I.

Le télégramme officiel suivant a été reçu de Sir Francis Knollys, au Château de Windsor :—

"Le Prince et la Princesse de Galles désirent exprimer aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifestés à leur égard à l'heure où ils étaient accablés par la terrible calamité qu'ils ont éprouvée dans la perte de leur bien-aimé fils aîné.

"Si dans un tel moment la sympathie à quelque mérite, le souvenir que leur douleur a été partagée par toutes les classes sera une consolation durable pour leurs cœurs affligés, et, si c'est possible, les rendra encore plus attachés à leur cher pays."

"Château de Windsor, 20 janvier 1892."

AU CHATEAU D'OSBORNE, ILE DE WIGHT.

Le 30e jour de juillet 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

L'Archevêque de York.

Le Lord Président.

Le Lord du Sceau Privé.

Lord Arthur Hill.

CONSIDÉRANT que par un acte du parlement du Canada, passé en la 49e année du règne de Sa Majesté, chapitre 25, intitulé "Acte modifiant de nouveau la loi concernant les territoires du Nord-Ouest," une cour suprême d'archives de juridiction de première instance et d'appel a été constituée et établie dans et pour les territoires du Nord-Ouest, appelée "La Cour Suprême des territoires du Nord-Ouest";

Et considérant que par le chapitre 50 des Statuts Révisés du Canada, intitulé "Acte des territoires du Nord-Ouest," la dite cour est continuée sous le nom susdit, mais il n'a pas encore été fait de disposition pour la poursuite et le règlement des appels de la dite cour à Sa Majesté en conseil;

Et considérant qu'il est à propos que des dispositions soient établies par le présent arrêté pour permettre aux parties d'interjeter appel des décisions de la dite cour à Sa Majesté en conseil,—il est par le présent ordonné, par Sa Très Excellente Majesté, par et avec l'avis de son Conseil privé, comme suit :—

1. Toute personne ou personnes pourront interjeter appel à Sa Majesté, ses héritiers et successeurs dans son ou leur Conseil privé, de tout jugement final, décret, ordre ou sentence de la dite Cour Suprême des territoires du Nord-Ouest, de la manière, dans le délai, et sous et sujet aux règles, règlements et limitations ci-après énumérés, savoir,—

Dans le cas où tel jugement, décret, ordre ou sentence sera donné, ou prononcé pour ou au sujet de toute somme ou matière en litige excédant la somme ou la valeur de trois cents louis sterling (£300), ou dans le cas où ce jugement, décret, ordre ou sentence affecterait directement ou indirectement une réclamation, demande ou question concernant ou se rattachant à des biens ou quelque droit civil s'élevant à ou de la valeur de trois cents louis sterling (£300), la personne ou les personnes se sentant lésées par tout tel jugement, décret, ordre ou sentence pourra, sous quatorze jours après qu'il aura été prononcé, fait ou donné,

s'adresser à la dite cour par motion ou pétition pour permission d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé ;

Dans le cas où permission d'en appeler aura été demandée par la partie ou les parties qui est ou sont enjointes de payer toute telle somme de deniers ou de remplir un devoir quelconque la dite cour pourra soit ordonner que le jugement, décret, ordre ou sentence dont appel est interjeté soit mis à exécution, ou que l'exécution en soit suspendue pendant le dit appel, selon qu'il paraîtra à la dite cour le plus conforme à la justice véritable et essentielle ;

Et dans le cas où la dite cour ordonnera que ce jugement, décret, ordre ou sentence soit mis à exécution, la personne ou les personnes en faveur de qui ce jugement, décret ou sentence aura été rendu devra ou devront, avant son exécution, donner une garantie bonne et suffisante qui devra être approuvée par la dite cour, pour le fidèle accomplissement de tel ordre que Sa Majesté, ses héritiers et successeurs croiront à propos de faire à l'égard de cet appel ;

Dans tous les cas une garantie sera aussi donnée par la personne ou les personnes appelantes sous forme de cautionnement ou hypothèque ou obligation personnelle n'excedant pas la valeur de cinq cents louis sterling (£500) pour la poursuite de l'appel, et le paiement de tous les frais qui seront adjugés par Sa Majesté, ses héritiers et successeurs, ou par le Comité judiciaire du Conseil privé de Sa Majesté, à la partie ou aux parties répondantes ; et si cette garantie en dernier lieu mentionnée est donnée sous les trois mois à compter de la date de telle motion ou pétition pour permission d'interjeter appel, alors, et non autrement, la dite cour admettra l'appel, et la partie ou les parties appelantes seront libres de présenter et poursuivre son ou leur appel à Sa Majesté, ses héritiers ou successeurs, en son ou leur Conseil privé, de telle manière et en vertu de tels règlements qui sont ou pourront être observés dans les appels faits à Sa Majesté des colonies ou plantations de Sa Majesté à l'étranger.

2. La dite Cour Suprême pourra, à sa discrétion, sur la motion ou pétition de toute personne qui se croit lésée par tout jugement préliminaire ou interlocutoire, décret, ordre ou sentence de la dite Cour Suprême, accorder permission à cette personne d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, sujet aux mêmes règles, règlements et limitations qui sont spécifiés dans le présent au sujet des appels de jugements, décrets, ordres et sentences définitifs.

3. Rien de contenu au présent n'aura l'effet ni ne sera censé avoir l'effet d'enlever ou restreindre le droit et l'autorité indéniables que possèdent Sa Majesté, ses héritiers et successeurs, sur l'humble pétition de toute personne ou personnes lésées par tout jugement ou décision de la dite cour, en aucun temps d'admettre son ou leur appel, aux conditions que Sa Majesté, ses héritiers et successeurs croiront à propos, et de renverser, corriger ou varier ce jugement ou décision selon que Sa Majesté, ses héritiers et successeurs jugeront convenable.

4. Dans tous les cas d'appel admis par la dite cour, ou par Sa Majesté, ses héritiers ou successeurs, la dite cour certifiera et transmettra à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, une copie exacte et fidèle de toute preuve, procédures, jugements, décrets et ordres rendus ou faits dans les causes en appel, en tant qu'ils se rapportent à la matière de l'appel, ces copies seront attestées par le sceau de la dite cour, et la dite cour certifiera et transmettra aussi à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie des raisons données par les juges de telle cour, ou par aucun de ces juges, pour ou contre le jugement ou décision dont appel est interjeté, lorsque ces raisons auront été données par écrit, et lorsque ces raisons auront été données oralement, alors un énoncé par écrit des raisons données par les juges de telle cour, ou par aucun des dits juges, pour ou contre le jugement ou décision dont appel est interjeté.

5. Dans tous cas d'appel à Sa Majesté, ses héritiers ou successeurs, la dite cour se conformera et exécutera ou fera exécuter tels jugements et ordres que Sa Majesté, et ses héritiers ou successeurs croiront bon de rendre dans l'affaire, de la même manière que tout jugement, décret, ou ordre décrétaire de première ins-

tance, ou autre ordre ou règle de la dite cour aurait dû ou aurait pu être exécuté.

Et le Très-honorable Lord Knutsford, un des principaux secrétaires d'Etat de Sa Majesté donnera les instructions nécessaires en conséquence.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

(CONSIDÉRANT que la pêche avec rets à enclos) devrait être restreinte à des bornes aussi raisonnables que possible, et que la grandeur des mailles de ce genre d'engin de pêche devrait être fixée de manière à permettre au jeune poisson qui n'a pas atteint sa maturité de s'en échapper, et ainsi empêcher le gaspillage et la destruction qui se fait actuellement,—

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir les règlements de pêche suivants, qui s'appliqueront à toute pêche avec rets à enclos dans les eaux douces de diverses provinces du Canada, sauf le Manitoba et les Territoires du Nord-Ouest, où des règlements existent déjà :—

Pêche avec rets à enclos.

1. Nulle personne, compagnie ou société ne pêchera avec un rets à enclos sans avoir d'abord obtenu une licence.

2. Les enclos, pots, bols, côurs ou tunnels des rets à enclos auront au moins 4 pouces d'extension, et les conduits au moins 6 pouces d'extension ; et rien ne sera fait qui aura pour effet de réduire ces dimensions.

3. L'usage des rets à enclos à double entrée est défendu.

4. L'honoraire payable pour chaque licence de rets à enclos sera de \$50.

5. Les licences de rets à enclos ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence. Le requérant décrira aussi dans sa demande l'endroit, la dimension des rets, la longueur du conduit, le genre de bateau ou de bateaux qui seront employés, et les espèces de poisson qu'ils se proposent de prendre.

6. Tous rets, matériaux, instruments ou appareils employés, et tout poisson pris ou tué en contravention des règlements seront saisis et confisqués, et toute personne ou personnes qui enfreindront les présents règlements encourront les peines édictées par l'Acte des pêcheries.

7. Les pots, enclos, bols, côurs ou tunnels des rets à enclos seront relevés, ouverts ou disposés de manière

à laisser librement circuler le poisson, et à lui permettre de les traverser ou d'en sortir, depuis 6 heures chaque samedi soir jusqu'à 6 heures chaque lundi matin suivant ; et durant cet intervalle, il ne sera permis à personne de prendre du poisson d'aucune manière ; les rets à enclos ne seront non plus employés ou utilisés de manière à prendre ou tuer du poisson d'aucune espèce pendant les saisons réservées annuelles qui ont été ou pourront être établies par l'Acte des pêcheries ou les règlements faits en vertu de cet acte, mais si quelque poisson était pris par hasard dans ces rets pendant ces saisons réservées, il sera immédiatement remis en liberté, et tout poisson ainsi pris ou tué, et non mis en liberté pendant le susdit "temps réservé" ainsi que les rets et autres engins employés seront confisqués.

8. Nulle compagnie, société, commerçant ou personne n'emploiera, ni n'aura de licence d'employer plus de 5 rets à enclos.

9. Pour le renseignement des personnes qui obtiennent des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence, ou y seront annexés.

10. Les présents règlements s'appliqueront à la pêche avec rets à enclos dans toutes les eaux douces du Canada, sauf celles des provinces du Manitoba et des Territoires du Nord-Ouest.

11. Aucun rets à enclos ne sera placé à moins d'un mille l'un de l'autre, et la longueur des conduits à chaque rets à enclos sera fixée par un gardien des pêcheries.

12. Les susdits règlements deviendront exécutoires le 1er jour de janvier 1893.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

VU le dommage causé aux pêcheries de mer par la coutume de laisser les rets à maquereau à l'eau pendant le jour, et les résultats bienfaisants qui s'en suivraient si ces rets étaient relevés entre 9 a.m. et 5 p.m., il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire le règlement de pêche suivant :

Retts à maquereau.

Nul rets à maquereau employé dans le but de prendre du maquereau ne sera tendu ou laissé dans l'eau entre 9 heures a.m. et 5 heures p.m., depuis le 1er jour de juin jusqu'au 1er jour de septembre de chaque année, et tous rets trouvés dans l'eau durant les heures ci-dessus mentionnées, alors que les conditions de température sont telles que ces rets puissent être relevés, seront confisqués au bénéfice de Sa Majesté, et le propriétaire ou celui qui les emploie sera passible de toutes autres peines que la loi décrète.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débetures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

(Circular.)

DOWNING STREET,
1st February, 1892.

MY LORD,—I have the honour to transmit to you a copy of a letter from the Queen expressing Her Majesty's deep sense of the loyalty and affectionate sympathy evinced by Her subjects in every part of Her Empire on the sad occasion of the death of Her Grandson, His Royal Highness Prince Albert Victor, Duke of Clarence and Avondale, K.G., eldest son of Their Royal Highnesses the Prince and Princess of Wales.

I have also the honour to enclose a copy of a telegram, dated Windsor Castle, the 20th of January, in which Their Royal Highnesses the Prince and Princess of Wales express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them on the sad occasion of the loss of their beloved eldest son.

I have no doubt that both these touching documents have been already published in the colony under your Government, but I have thought it right that they should be communicated to you officially for record in the archives of the colony:

I have the honour to be,

My Lord,

Your most obedient, humble Servant,

KNUTSFORD.

The Officer Administering
the Government of Canada.

WHITEHALL, 27th January, 1892.

The following letter from The Queen has been received by the Right Honourable the Secretary of State for the Home Department :—

OSBORNE, 26th January, 1892.

I must once again give expression to my deep sense of the loyalty and affectionate sympathy evinced by my subjects in every part of my Empire on an occasion more sad and tragical than any but one which has befallen me and mine, as well as the Nation. The overwhelming misfortune of my dearly loved grandson having been thus suddenly cut off in the flower of his age, full of promise for the future, amiable and gentle, and endearing himself to all, renders it hard for his sorely stricken parents, his dear young bride, and his fond grandmother to bow in submission to the inscrutable decrees of Providence.

The sympathy of millions, which has been so touchingly and visibly expressed, is deeply gratifying at such a time, and I wish, both in my own name and that of my children, to express, from my heart, my warm gratitude to all.

These testimonies of sympathy with us, and appreciation of my dear grandson, whom I loved as a son, and whose devotion to me was as great as that of a son, will be a help and consolation to me and mine in our affliction.

My bereavements during the last thirty years of my reign have indeed been heavy. Though the labours, anxieties, and responsibilities inseparable from my position have been great, yet it is my earnest prayer that God may continue to give me health and strength to work for the good and happiness of my dear Country and Empire while life lasts.

VICTORIA, R.I.

The following official telegram has been received from Sir Francis Knollys, at Windsor Castle :—

"The Prince and Princess of Wales are anxious to express to Her Majesty's subjects, whether in the United Kingdom, in the Colonies, or in India, the sense of their deep gratitude for the universal feeling of sympathy manifested towards them at a time when

they are overpowered by the terrible calamity which they have sustained in the loss of their beloved eldest son.

"If sympathy at such a moment is of any avail, the remembrance that their grief has been shared by all classes will be a lasting consolation to their sorrowing hearts, and, if possible, will make them more than ever attached to their dear country."

"Windsor Castle, January 20, 1892."

ISLE OF WIGHT.

The 30th day of July, 1891.

3. Nothing herein contained doth or shall extend or be construed to extend to take away or abridge the undoubted right and authority of Her Majesty, her heirs and successors, upon the humble petition of any person or persons aggrieved by any judgment or determination of the said court, at any time to admit his, her, or their appeal therefrom, upon such terms as Her Majesty, her heirs or successors, shall think fit, and to reverse, correct, or vary such judgment or determination in such manner as to Her Majesty, her heirs and successors, shall seem meet.

4. In all cases of appeal admitted by the said court, or by Her Majesty, her heirs or successors, the said court shall certify and transmit to Her Majesty, her heirs or successors, in her or their Privy Council, a true and exact copy of all evidence, proceedings, judgments, decrees, and orders had or made in such cases appealed so far as the same have relation to the matter of appeal, such copies to be certified under the seal of the said court, and the said court shall also certify and transmit to Her Majesty, her heirs and successors, in her or their Privy Council, a copy of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against, where such reasons shall have been given in writing, and where such reasons shall have been given orally, then a statement in writing of the reasons given by the judges of such court, or by any of such judges, for or against the judgment or determination appealed against.

NOTICE TO MARINERS.

No. 5 of 1892.

DICKINSON'S LANDING LIGHTHOUSE.

A small lighthouse at Dickinson's Landing, at the head of the Cornwall canal, in the County of Stormont, Ontario, which had been maintained since 1865 by the canal authorities, was on the 1st July, 1890, transferred to the charge of the Marine Department, and during the past summer the light building formerly used was replaced by a new tower, from which the light was first shown on the 27th November last.

The new tower stands on the pierhead on the south side of the west entrance to the Cornwall canal, and is a square wooden building, painted white, 22 feet in height from its base to the vane on the lantern.

Lat. N. 44° 59' 34"
Long. W. 74° 54' 40"

The light is fixed white, elevated 21 feet above the water, and should be visible about 3 miles. It leads to the entrance to the canal from the river above, and also shows down the canal.

The illuminating apparatus is dioptric, of small size. This notice affects Admiralty Charts Nos. 259a and 797, and Canadian List of Lights and Fog Signals No. 150.

WM. SMITH,
Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 4th March, 1892.

All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 39-3

NOTICE TO MARINERS.

No. 6 of 1892.

PROPOSED CHANGE IN CAPE FOURCHU LIGHT.

Notice is hereby given that it is the intention of the Government of Canada to make certain alterations in the lighthouse at Cape Fourchu, in the County of Yarmouth, on the Bay of Fundy coast of the Province of Nova Scotia, with a view to improving the efficiency of the light.

Lat. N. 43° 47' 28"
Long. W. 66° 9' 20"

These alterations will embrace the removal of the old lantern from the tower, and the erection of a new iron lantern of more modern type, fitted with a more powerful illuminating apparatus.

The character of the light will also be changed, from an Intermittent White Light to a Revolving White Light showing three bright flashes, with intervals of 20 seconds between their points of greatest brilliancy, followed by an interval of 40 seconds during the greater part of which the light will be eclipsed, the light thus completing a revolution in 80 seconds.

It is intended to have these alterations effected in the early part of June next; from the beginning of the work the present intermittent light will be discontinued, but during the progress of the work, a temporary fixed white light will be displayed from an anchor light lantern, hoisted in the most conspicuous position on top of the tower. Due notice will be given of the completion of the proposed change.

WM. SMITH,

Deputy Minister of Marine.

Department of Marine,

DÉPÊCHES.

(Circulaire.)

DOWNING STREET,
1er février 1892.

MILORD,—J'ai l'honneur de vous transmettre copie d'une lettre de la Reine dans laquelle Sa Majesté apprécie hautement la loyauté et la sympathie affectueuse manifestées par ses sujets par tout son Empire en la pénible occasion de la mort de son petit-fils Son Altesse Royale le prince Albert-Victor, duc de Clarence et Avondale, C.J., fils aîné de Leurs Altesses Royales le prince et la princesse de Galles.

J'ai aussi l'honneur d'y joindre copie d'un télégramme, daté du Château de Windsor, le 20e jour de janvier, dans lequel Leurs Altesses Royales le prince et la princesse de Galles expriment aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifesté à leur égard à la triste occasion de la perte de leur bien-aimé fils aîné.

Je n'ai aucun doute que ces deux touchants documents ont déjà été publiés dans la colonie que vous administrez, mais j'ai pensé qu'il serait à propos qu'ils vous fussent communiqués officiellement, afin qu'ils fassent partie des archives de la colonie.

J'ai l'honneur d'être,

Milord,
Votre très obéissant serviteur,
KNUTSFORD.

A l'Administrateur
du gouvernement du Canada.

WHITEHALL, 27 janvier 1892.

La lettre suivante a été reçue de la Reine par le Très-honorable Secrétaire d'Etat pour l'Intérieur :—

OSBORNE, 26 janvier 1892.

Je dois encore une fois exprimer ma haute appréciation de la loyauté et sympathie affectueuse manifestées par mes sujets par tout l'Empire à l'occasion la plus triste et tragique sauf une qui ait encore frappé moi et les miens ainsi que la nation. Le malheur accablant qui a soudainement enlevé mon bien-aimé petit-fils à la fleur de l'âge, plein de promesses pour l'avenir, aimable et soumis, cher à tous, rend difficile à ses parents affligés, sa chère jeune fiancée, et sa grand'-mère affectionnée, de se soumettre aux décrets inscrutables de la Providence.

La sympathie que des millions ont exprimée d'une manière si touchante et si visible, est doublement sensible à cette heure, et je veux, en mon nom et en celui de mes enfants, exprimer du plus profond de mon cœur, ma sincère gratitude à tous.

Ces témoignages de sympathie envers nous, et l'appréciation des qualités de mon cher petit-fils, que j'aimais à l'égal d'un fils, et dont le dévouement envers moi était aussi grand que celui d'un fils, seront un secours et une consolation pour moi et les miens dans notre affliction.

Durant les derniers trente ans de mon règne j'ai été affligée très douloureusement. Bien que les labeurs, les inquiétudes et les responsabilités inhérentes à ma position aient été considérables, cependant mon ardente prière est que Dieu me donne la santé et la force de travailler au bien-être et au bonheur de mon cher pays et de l'Empire tant que je vivrai.

VICTORIA, R.I.

Le télégramme officiel suivant a été reçu de Sir Francis Knollys, au Château de Windsor :—

“Le Prince et la Princesse de Galles désirent exprimer aux sujets de Sa Majesté, qu'ils soient dans le Royaume-Uni, dans les colonies, ou dans l'Inde, leur profonde gratitude pour le sentiment universel de sympathie manifesté à leur égard à l'heure où ils étaient accablés par la terrible calamité qu'ils ont éprouvée dans la perte de leur bien-aimé fils aîné.

“Si dans un tel moment la sympathie a quelque mérite, le souvenir que leur douleur a été partagée par toutes les classes sera une consolation durable pour leurs cœurs affligés, et, si c'est possible, les rendra encore plus attachés à leur cher pays.”

“Château de Windsor, 20 janvier 1892.”

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

L'Archevêque de York.

Le Lord Président.

Le Lord du Sceau Privé.

Lord Arthur Hill.

CONSIDÉRANT que par un acte du parlement du Canada, passé en la 49e année du règne de Sa Majesté, chapitre 25, intitulé “Acte modifiant de nouveau la loi concernant les territoires du Nord-Ouest,” une cour suprême d'archives de juridiction de première instance et d'appel a été constituée et établie dans et pour les territoires du Nord-Ouest, appelée “La Cour Suprême des territoires du Nord-Ouest” ;

Et considérant que par le chapitre 50 des Statuts Révisés du Canada, intitulé “Acte des territoires du Nord-Ouest,” la dite cour est continuée sous le nom susdit, mais il n'a pas encore été fait de disposition pour la poursuite et le règlement des appels de la dite cour à Sa Majesté en conseil ;

Et considérant qu'il est à propos que des dispositions soient établies par le présent arrêté pour permettre aux parties d'interjeter appel des décisions de la dite cour à Sa Majesté en conseil,—il est par le présent ordonné, par Sa Très Excellente Majesté, par et avec l'avis de son Conseil privé, comme suit :—

1. Toute personne ou personnes pourront interjeter appel à Sa Majesté, ses héritiers et successeurs dans son ou leur Conseil privé, de tout jugement final, décret, ordre ou sentence de la dite Cour Suprême des territoires du Nord-Ouest, de la manière, dans le délai, et sous et sujet aux règles, règlements et limitations ci-après énumérés, savoir,—

Dans le cas où tel jugement, décret, ordre ou sentence sera donné, ou prononcé pour ou au sujet de toute somme ou matière en litige excédant la somme ou la valeur de trois cents louis sterling (£300), ou dans le cas où ce jugement, décret, ordre ou sentence affecterait directement ou indirectement une réclamation, demande ou question concernant ou se rattachant à des biens ou quelque droit civil s'élevant à ou de la valeur de trois cents louis sterling (£300), la personne ou les personnes se sentant lésées par tout tel jugement, décret, ordre ou sentence pourra, sous quatorze jours après qu'il aura été prononcé, fait ou donné, s'adresser à la dite cour par motion ou pétition pour permission d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé ;

Dans le cas où permission d'en appeler aura été demandée par la partie ou les parties qui est ou sont enjoins de payer toute telle somme de deniers ou de remplir un devoir quelconque la dite cour pourra soit ordonner que le jugement, décret, ordre ou sentence dont appel est interjeté soit mis à exécution, ou que l'exécution en soit suspendue pendant le dit appel, selon qu'il paraîtra à la dite cour le plus conforme à la justice véritable et essentielle ;

Et dans le cas où la dite cour ordonnera que ce jugement, décret, ordre ou sentence soit mis à exécution, la personne ou les personnes en faveur de qui ce jugement, décret ou sentence aura été rendu devra ou devront, avant son exécution, donner une garantie bonne et suffisante qui devra être approuvée par la dite cour, pour le fidèle accomplissement de tel ordre

que Sa Majesté, ses héritiers et successeurs croiront à propos de faire à l'égard de cet appel ;

Dans tous les cas une garantie sera aussi donnée par la personne ou les personnes appelantes sous forme de cautionnement ou hypothèque ou obligation personnelle n'excédant pas la valeur de cinq cents louis sterling (£500) pour la poursuite de l'appel, et le paiement de tous les frais qui seront adjugés par Sa Majesté, ses héritiers et successeurs, ou par le Comité judiciaire du Conseil privé de Sa Majesté, à la partie ou aux parties répondantes ; et si cette garantie en dernier lieu mentionnée est donnée sous les trois mois à compter de la date de telle motion ou pétition pour permission d'interjeter appel, alors, et non autrement, la dite cour admettra l'appel, et la partie ou les parties appelantes seront libres de présenter et poursuivre son ou leur appel à Sa Majesté, ses héritiers ou successeurs, en son ou leur Conseil privé, de telle manière et en vertu de tels règlements qui sont ou pourront être observés dans les appels faits à Sa Majesté des colonies ou plantations de Sa Majesté à l'étranger.

2. La dite Cour Suprême pourra, à sa discrétion, sur la motion ou pétition de toute personne qui se croit lésée par tout jugement préliminaire ou interlocutoire, décret, ordre ou sentence de la dite Cour Suprême, accorder permission à cette personne d'en appeler à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, sujet aux mêmes règles, règlements et limitations qui sont spécifiés dans le présent au sujet des appels de jugements, décrets, ordres et sentences définitifs.

3. Rien de contenu au présent n'aura l'effet ni ne sera censé avoir l'effet d'enlever ou restreindre le droit et l'autorité indéniables que possèdent Sa Majesté, ses héritiers et successeurs, sur l'humble pétition de toute personne ou personnes lésées par tout jugement ou décision de la dite cour, en aucun temps d'admettre son ou leur appel, aux conditions que Sa Majesté, ses héritiers et successeurs croiront à propos, et de renverser, corriger ou varier ce jugement ou décision selon que Sa Majesté, ses héritiers et successeurs jugeront convenable.

4. Dans tous les cas d'appel admis par la dite cour, ou par Sa Majesté, ses héritiers ou successeurs, la dite cour certifiera et transmettra à Sa Majesté, ses héritiers et successeurs en son ou leur Conseil privé, une copie exacte et fidèle de toute preuve, procédures, jugements, décrets et ordres rendus ou faits dans les causes en appel, en tant qu'ils se rapportent à la matière de l'appel, ces copies seront attestées par le sceau de la dite cour, et la dite cour certifiera et transmettra aussi à Sa Majesté, ses héritiers et successeurs, en son ou leur Conseil privé, une copie des raisons données par les juges de telle cour, ou par aucun de ces juges, pour ou contre le jugement ou décision dont appel est interjeté, lorsque ces raisons auront été données par écrit, et lorsque ces raisons auront été données oralement, alors un énoncé par écrit des raisons données par les juges de telle cour, ou par aucun des dits juges, pour ou contre le jugement ou décision dont appel est interjeté.

5. Dans tous cas d'appel à Sa Majesté, ses héritiers ou successeurs, la dite cour se conformera et exécutera ou fera exécuter tels jugements et ordres que Sa Majesté, et ses héritiers ou successeurs croiront bon de rendre dans l'affaire, de la même manière que tout jugement, décret, ou ordre dérétoire de première instance, ou autre ordre ou règle de la dite cour aurait dû ou aurait pu être exécuté.

Et le Très-honorable Lord Knutsford, un des principaux secrétaires d'Etat de Sa Majesté donnera les instructions nécessaires en conséquence.

JOHN J. McGEE,

4. L'entrée du verveux ne devra pas dépasser quatre pieds de diamètre.

5. Il est défendu de se servir de plus de deux ailes pour chaque verveux, et chaque aile ne devra pas dépasser dix pieds de longueur.

6. Aucun verveux ne devra avoir plus de trois goulets ou entonnoirs.

7. Les mailles des verveux devront avoir au moins trois pouces et quart d'extension dans toutes leurs parties, et il ne devra être rien fait pour en diminuer la grandeur.

9. Il est défendu de pêcher au moyen de verveux entre le 1er jour d'avril et le 1er jour de juillet inclusivement de chaque année.

10. Il est défendu de placer des verveux dans des endroits que l'achigan ou autres poissons francs ont l'habitude de fréquenter, mais lorsqu'il en sera pris par accident dans des verveux légalement employés à la pêche d'autres poissons, ils seront relâchés vivants par le propriétaire, agent, locataire, occupant, associé ou personne actuellement en charge soit comme occupant ou serviteur, à chacun desquels incombera la preuve de cette mise en liberté et chacun desquels sera censé solidairement et séparément responsable pour toutes amendes ou deniers recouvrables en vertu de "l'Acte des pêcheries" ou de tout règlement fait sous son autorité.

Les règlements ci-dessus deviendront en vigueur le 1er jour de janvier 1893, et remplaceront tous autres règlements ci-devant faits en vertu des dispositions de "l'Acte des pêcheries" au sujet des verveux, ou de ce genre de pêche, dans les eaux du Canada, et tous autres règlements antérieurs seront alors rescindés. 36-4

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 20e jour de février 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que la pêche avec rets à enclos devrait être restreinte à des bornes aussi raisonnables que possible, et que la grandeur des mailles de ce genre d'engin de pêche devrait être fixée de manière à permettre au jeune poisson qui n'a pas atteint sa maturité de s'en échapper, et ainsi empêcher le gaspillage et la destruction qui se fait actuellement,—

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir les règlements de pêche suivants, qui s'appliqueront à toute pêche avec rets à enclos dans les eaux douces des diverses provinces du Canada, sauf le Manitoba et les Territoires du Nord-Ouest, où des règlements existent déjà :—

Pêche avec rets à enclos.

1. Nulle personne, compagnie ou société ne pêchera avec un rets à enclos sans avoir d'abord obtenu une licence.

2. Les enclos, pots, bols, cœurs ou tunnels des rets à enclos auront au moins 4 pouces d'extension, et les conduits au moins 6 pouces d'extension; et rien ne sera fait qui aura pour effet de réduire ces dimensions.

3. L'usage des rets à enclos à double entrée est défendu.

4. L'honoraire payable pour chaque licence de rets à enclos sera de \$50.

5. Les licences de rets à enclos ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence. Le requérant décrira aussi dans sa demande l'endroit, la dimension des rets, la longueur du conduit, le genre de bateau ou de bateaux qui seront employés, et les espèces de poisson qu'ils se proposent de prendre.

6. Tous rets, matériaux, instruments ou appareils employés, et tout poisson pris ou tué en contravention des règlements seront saisis et confisqués, et toute personne ou personnes qui enfreindront les présents règlements encourront les peines édictées par l'Acte des pêcheries.

7. Les pots, enclos, bols, cœurs ou tunnels des rets à enclos seront relevés, ouverts ou disposés de manière à laisser librement circuler le poisson, et à lui permettre de les traverser ou d'en sortir, depuis 6 heures chaque samedi soir jusqu'à 6 heures chaque lundi matin suivant; et durant cet intervalle, il ne sera permis à personne de prendre du poisson d'aucune manière; les rets à enclos ne seront non plus employés ou utilisés de manière à prendre ou tuer du poisson d'aucune espèce pendant les saisons réservées annuelles qui ont été ou pourront être établies par l'Acte des pêcheries ou les règlements faits en vertu de cet acte, mais si quelque poisson était pris par hasard dans ces rets pendant ces saisons réservées, il sera im-

mediatement remis en liberté, et tout poisson ainsi pris ou tué, et non mis en liberté pendant le susdit "temps réservé" ainsi que les rets et autres engins employés seront confisqués.

8. Nulle compagnie, société, commerçant ou personne n'emploiera, ni n'aura de licence d'employer plus de 5 rets à enclos.

9. Pour le renseignement des personnes qui obtiennent des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence, ou y seront annexés.

10. Les présents règlements s'appliqueront à la pêche avec rets à enclos dans toutes les eaux douces du Canada, sauf celles des provinces du Manitoba et des Territoires du Nord-Ouest.

11. Aucun rets à enclos ne sera placé à moins d'un mille l'un de l'autre, et la longueur des conduits à chaque rets à enclos sera fixée par un gardien des pêcheries.

12. Les susdits règlements deviendront exécutoires le 1er jour de janvier 1893.

Greffier du Conseil privé.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

VU le dommage causé aux pêcheries de mer par la coutume de laisser les rets à maquereau à l'eau pendant le jour, et les résultats bienfaisants qui s'en suivraient si ces rets étaient relevés entre 9 a.m. et 5 p.m., il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, de faire le règlement de pêche suivant :

Rets à maquereau.

Nul rets à maquereau employé dans le but de prendre du maquereau ne sera tendu ou laissé dans l'eau entre 9 heures a.m. et 5 heures p.m., depuis le 1er jour de juin jusqu'au 1er jour de septembre de chaque année, et tous rets trouvés dans l'eau durant les heures ci-dessus mentionnées, alors que les conditions de température sont telles que ces rets puissent être relevés, seront confisqués au bénéfice de Sa Majesté, et le propriétaire ou celui qui les emploie sera passible de toutes autres peines que la loi décrète.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer.

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

NOTICE TO MARINERS.

No. 5 of 1892.

DICKINSON'S LANDING LIGHTHOUSE.

A small lighthouse at Dickinson's Landing, at the head of the Cornwall canal, in the County of Stormont, Ontario, which had been maintained since 1865 by the canal authorities, was on the 1st July, 1890, transferred to the charge of the Marine Department, and during the past summer the light building formerly used was replaced by a new tower, from which the light was first shown on the 27th November last.

The new tower stands on the pierhead on the south side of the west entrance to the Cornwall canal, and is a square wooden building, painted white, 22 feet in height from its base to the vane on the lantern.

Lat. N. 44° 59' 34"

Long. W. 74° 54' 40"

The light is fixed white, elevated 21 feet above the water, and should be visible about 3 miles. It leads to

the entrance to the canal from the river above, and also shows down the canal.

The illuminating apparatus is dioptric, of small size.

This notice affects Admiralty Charts Nos. 259a and 797, and Canadian List of Lights and Fog Signals No. 150.

WM. SMITH,
Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 4th March, 1892.

 All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 39-3

NOTICE TO MARINERS.

No. 6 of 1892.

PROPOSED CHANGE IN CAPE FOURCHU LIGHT.

Notice is hereby given that it is the intention of the Government of Canada to make certain alterations in the lighthouse at Cape Fourchu, in the County of Yarmouth, on the Bay of Fundy coast of the Province of Nova Scotia, with a view to improving the efficiency of the light.

Lat. N. 43° 47' 28"

Long. W. 66° 9' 20"

These alterations will embrace the removal of the old lantern from the tower, and the erection of a new iron lantern of more modern type, fitted with a more powerful illuminating apparatus.

The character of the light will also be changed, from an Intermittent White Light to a Revolving White Light showing three bright flashes, with intervals of 20 seconds between their points of greatest brilliancy, followed by an interval of 40 seconds during the greater part of which the light will be eclipsed, the light thus completing a revolution in 80 seconds.

It is intended to have these alterations effected in the early part of June next; from the beginning of the work the present intermittent light will be discontinued, but during the progress of the work, a temporary fixed white light will be displayed from an anchor light lantern, hoisted in the most conspicuous position on top of the tower. Due notice will be given of the completion of the proposed change.

WM. SMITH,
Deputy Minister of Marine.

On the 5th instant a lantern showing a fixed red light, at an elevation of about 8 feet above the water, was attached to the framework beacon on the red platform buoy off Gallows Point, Protection Island, at the entrance to Nanaimo Harbour, Vancouver Island, British Columbia.

Lat. N. 49° 10' 25"

Long. W. 123° 55' 27"

This light will be maintained regularly until further notice, and should be visible 2 miles from all points of approach.

On stormy nights it may become extinguished, at times when it will be impossible to relight it promptly.

This is red buoy No. 2, described on page 3 of Notice to Mariners No. 54 of 1891, moored with Gallows Point, bearing N.W. by N., distant $1\frac{1}{2}$ cables.

At the same time the black buoy at the northern extremity of the Middle Ground, in the same harbour, was furnished with a lantern showing a fixed white light. This light bears W. by S., southerly, $3\frac{3}{4}$ cables from the red light above described, and is similarly arranged.

This is No. 7 black buoy, referred to on page 3 of Notice to Mariners No. 54 of 1891, moored with Gallows Point, bearing N.E. by E., easterly distant $3\frac{3}{4}$ cables.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

JOHN J. McGEE,

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 25th day of March, 1892.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, under the authority conferred upon him by the provisions of "The Inland Revenue Act," chapter 34 of the Revised Statutes of Canada, and by and with the advice of the Queen's Privy Council for Canada, has been pleased to order that the following regulations for the governance of Licensed Bonded Manufacturers in the Dominion of Canada be and the same are hereby adopted:—

REGULATIONS.

1. Subject to the provisions of the Inland Revenue Act, to these regulations, and to such further regulations as may hereafter be made by competent authority, licenses may be granted to manufacture in bond the articles herein enumerated, viz:—Vinegar, fulminate, soap and any other articles of commerce in the process of manufacturing of which alcohol is destroyed and from the resultant products of which it cannot be recovered.

2. Any bonded manufactory licensed under the above recited Act may be closed and the license forfeited, whenever it is shown to the satisfaction of the Minister of Inland Revenue that there is just cause for believing that frauds upon the Revenue are being perpetrated in connection with such manufactory.

3. In addition to the license fee named in the Act above cited, every person to whom a "Bonded Manufacturing License" is granted, shall pay to the Collector of Inland Revenue, in monthly instalments, such sums of money as shall be sufficient for the payment of the expenses incurred by the Inland Revenue Department for the effective supervision of the manufactures carried on under such license, and for taking account of the dutiable articles consumed in such manufacture, and of the articles produced therefrom; and the maximum sum to be so paid by the party aforesaid, shall from time to time be determined by the Minister of Inland Revenue, as he may deem necessary, and shall, as nearly as may be, be in proportion to the magnitude and general character of the business carried on under such license.

4. Goods manufactured in bond shall be removed from the apartments of the manufactory wherein the same were made as soon as the process of manufacture is completed and shall then be placed in compartments or store rooms set apart for that purpose, and be either warehoused as per warehousing regulations then in force or entered ex-factory for duty, the duty to be collected on the monthly returns of the manufacturer as in the case of other manufactures subject to Excise.

5. With every application for a license to manufacture in bond there shall be submitted a specification or formula of all the articles to be manufactured thereunder, which specification or formula shall also set forth in detail the percentage or proportion of every ingredient to be used in the manufacture of each article, except that in the case of vinegar, the actual quantity of each ingredient to be used (water excepted) shall be given, for the production of one hundred gallons of standard vinegar.

6. The articles manufactured in bond shall be compounded carefully in accordance with the specification or formula submitted with the application for the license and approved by the Minister of Inland Revenue.

7. Collectors and officers in charge of bonded manufactures shall be, and they are hereby required, to see that the percentages, proportions and quantities set forth in the specification or formula are closely adhered to and in no case exceeded; but should it be ascertained by any process or by any test of any of the articles made that a greater proportion or percentage of alcohol has been used in the preparation thereof than is set forth in the specification or formula, the duty exigible upon spirits shall be collected upon the excess of alcohol so ascertained, which may be computed upon the article or articles made during the currency of the license then in force, and the manufacturer shall also be liable to the penalty of

forfeiting his license as well as the other penalties set forth in the "Inland Revenue Act."

8. The under side of the flooring joists of all bonded apartments in which spirits or other goods subject to Excise duty are stored or placed while under any process of manufacture, shall, if there is any space or other apartment below them, be sheeted or lathed to the satisfaction of the inspecting officer.

9. Dutiable vinegar produced in any bonded factory shall be in the proportion of 100 gallons of standard vinegar containing 6 per cent. of acetic acid, over and above the quantity taken for "mix" or used in the further production of vinegar to 25 gallons of proof spirits taken into the manufactory and used for its production, with such addition to the standard quantity of vinegar as may, in the opinion of the Minister of Inland Revenue, be fairly due to any other article such as sour beer, or wine, acetic acid, or any like article brought into the manufactory, in addition to the alcohol used for its production.

10. In estimating the quantity of spirits used in any bonded manufactory during any period, for the production of vinegar, the inspector shall be guided by the books kept by the manufacturer as required by law or by the actual quantity discovered by stock-taking, thus by adding to the quantity on hand at commencement of period the quantity brought in and deducting therefrom the actual quantity found in stock, the difference may be taken as the quantity used, nevertheless due allowance must be made for the alcohol, that may be in process in the mixing or compounding tub at the beginning and end of the period, but no allowance whatever shall be made for the quantity said to be in process in the generators at the beginning or end of the period for which the calculation is being made.

11. The percentage of acetic acid contained in any vinegar produced in any such bonded factory shall be determined by such established chemical tests, applied by such apparatus, as may from time to time be directed by regulations or instructions made in that behalf by the Minister of Inland Revenue.

12. The officers of Inland Revenue may, at any time, take such samples from any of the packages of vinegar, or other article made in, or brought into any bonded manufactory as may be deemed necessary for determining their strength or quality. Samples of each package so tested shall be sent to the Department for confirmation, and in case the departmental test is at variance with the test so made by the officer in charge of the manufactory, then the test made at the Department shall be final.

13. Every package of spirits and every other article or material brought into any bonded factory, whether subject to Excise or Customs duty, or not, shall be immediately placed in an apartment appropriated thereto and secured by a crown lock, the sole key whereof shall be in the exclusive custody of an officer of Inland Revenue; and no spirits or other article shall be removed from such locked apartment, except in the presence of the officer who has the key thereof for the time being, and in his presence every article removed from such locked apartment shall be immediately conveyed to the mixing room or other place where it is to be used and applied to the purpose for which it is intended.

14. All packages containing spirits shipped to bonded factories shall have the word "non-potable" over-printed on both ends of the package, in letters not less than 2 inches in height and $\frac{3}{4}$ of an inch in width, and in a colour different from that used for the other marks on the package.

15. Whether the spirits be domestic or imported, the branding shall be done by the vendor before they leave his premises, but if the bonded manufacturer be himself the importer, he shall have the branding done at a port of entry, and before leaving the Customs premises where the spirits are examined.

16. Spirits shall be removed to a bonded factory only upon a permit countersigned by the Collector, which shall have the words "non-potable" distinctly written across its face.

17. If the bonded factory and the shipper's premises are situated in separate divisions, one copy of the permit (K 4, which will, in this case, be made in duplicate) shall accompany the Bill of Lading, and the spirits

shall be consigned to the Collector of the receiving Division.

18. The duplicate permit must be designated as such and on stub of permit book may be accounted for by referring to original general number.

19. In all cases the Collector shall detail an officer in addition to the officer in charge of the bonded factory, to weigh and test the spirits and see them placed under lock in the bonding warehouse of the factory, and to certify the fact in writing upon the permit.

20. Spirits shall not be removed from a bonded factory without the written permission of the Minister of Inland Revenue, and then only to another bonded factory or to a licensed distillery.

21. The word "non-potable" shall be conspicuously placed upon all removal entries, or other official documents, used in connection with the removing of spirits to a bonded factory.

22. No articles shall be kept or stored in any bonded manufactory other than such as are to be used in the manufacture of articles enumerated in the specification or formula accompanying the application for license.

23. Every Excise mark on every package in which any excisable goods are taken to any bonded manufactory, shall be completely erased and removed from such package as soon as emptied.

24. No person licensed as a manufacturer in bond shall carry on any trade of buying or selling spirits or spirituous liquors on the premises for which such license is granted, nor in any other premises situated within five hundred yards of such licensed premises, except in so far as such buying and selling is a necessary consequence of the business for which the license is granted, and permission to carry on such business is specially granted in the license.

25. No duty-paid spirits (except spirits on which the difference between Customs and Excise duty has been paid under 49 Vic., chap. 34, sec. 234) shall be taken into any bonded manufactory.

26. Whereas by the 234th section of the Act of the Parliament of Canada, 49 Vic. chap. 34, intitled "The Inland Revenue Act," it is provided that "whenver any article not the produce of Canada upon which the duty of Excise would be levied if produced in Canada, is taken into a bonded manufactory, the difference between the duty of Excise to which it would be so liable and the Customs duty which would be levied on such article if so imported and entered for consumption shall be paid as a duty of Excise when it is taken into the bonded manufactory; but in the case of spirits to be used for any chemical or manufacturing purpose only, the foregoing provisions of this section may be varied, in whole or in part by the Governor in Council, provided that no increase of duties shall accrue therefrom." His Excellency in Council, in pursuance of the provisions above recited, has been pleased to order, and it is hereby ordered, that the duty exigible upon foreign spirits, when taken into any duly licensed bonded manufactory, shall be determined at the rate of thirty cents (30c.) per proof gallon.

27. Stock books must be kept in the factory, in which must be entered:—

1st. The quantity of each description of article or commodity brought into the factory, and the spirit equivalent thereof and in the case of spirits the particulars of every package, stating where manufactured, the strength and quantity, the marks, &c., on the casks, and the general numbers of the permits under which it was conveyed to the factory.

2nd. The quantity of each description of article or commodity used in the production of the manufactured articles made in the manufactory, and the spirit equivalent thereof, giving the particulars of every quantity mixed, showing the marks, &c., of the original packages from which they were taken.

3rd. The quantity of each description of article or commodity removed from the factory, or disposed of otherwise than for the production of the articles therein manufactured or made.

4th. The quantity of each description of manufactured article or commodity made or produced on each day.

5th. The quantity of manufactured product removed from the factory.

6th. The quantity entered for warehouse, and

7th. The quantity ex-warehoused and entered for duty ex-factory.

28. All vinegar running from generators having a strength of 3 per cent or more of acetic acid must be conveyed directly to the closed receivers and must there be gauged and tested before being taken for "mix" or otherwise.

The quantity required for "mix" when not exceeding the quantity stated in the specification or formula will be given by the officer when required, and at the end of the month the total quantity taken will be deducted from the total production of vinegar in the manufactory, leaving the balance as the actual quantity of dutiable vinegar produced.

29. On and after the first day of July, 1888, no allowance shall be made to the manufacturer for the quantities of spirits supposed to be in process in the generators, the Department giving up all claim against the manufacturer for an equivalent number of gallons of standard vinegar, nor shall such quantity be taken into consideration in any stock-taking or assessment that may have to be made in case of a deficiency of production.

30. When vinegar is conveyed from the generators through unlocked compartments of the factory, it must be conveyed in closed pipes properly secured.

31. Should the Inspector of Bonded Manufactories, or any other superior officer of Excise at any time, on visiting a bonded manufactory observe anything which in his judgment might lead to a loss of revenue or interfere with its proper collection, or that might offer facilities for fraud, he is empowered to give instructions as to the changes he may deem necessary for the proper protection of the revenue and such instructions shall be complied with by the manufacturer or his agent, and if said changes be not made within the space of ten days his license shall be forfeited.

32. All Orders in Council in respect of the manufacture of goods in bond previously issued or established are hereby cancelled.

33. The Minister of Inland Revenue may provide such tests for determining the percentage of free spirits contained in vinegar, and may deal with any vinegar found to contain such free spirits as may be deemed necessary for the proper protection of the revenue.

NOTICE TO MARINERS.

No. 5 of 1892.

DICKINSON'S LANDING LIGHTHOUSE.

A small lighthouse at Dickinson's Landing, at the head of the Cornwall canal, in the County of Stormont, Ontario, which had been maintained since 1865 by the canal authorities, was on the 1st July, 1890, transferred to the charge of the Marine Department, and during the past summer the light building formerly used was replaced by a new tower, from which the light was first shown on the 27th November last.

The new tower stands on the pierhead on the south side of the west entrance to the Cornwall canal, and is a square wooden building, painted white, 22 feet in height from its base to the vane on the lantern.

Lat. N. 44° 59' 34"

Long. W. 74° 54' 40"

The light is fixed white, elevated 21 feet above the water, and should be visible about 3 miles. It leads to

the entrance to the canal from the river above, and also shows down the canal.

The illuminating apparatus is dioptric, of small size.

This notice affects Admiralty Charts Nos. 259a and 797, and Canadian List of Lights and Fog Signals No. 150.

WM. SMITH,

Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 4th March, 1892.

 All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 39-3

NOTICE TO MARINERS.

No. 6 of 1892.

PROPOSED CHANGE IN CAPE FOURCHU LIGHT.

Notice is hereby given that it is the intention of the Government of Canada to make certain alterations in the lighthouse at Cape Fourchu, in the County of Yarmouth, on the Bay of Fundy coast of the Province of Nova Scotia, with a view to improving the efficiency of the light.

Lat. N. 43° 47' 28"
Long. W. 66° 9' 20"

These alterations will embrace the removal of the old lantern from the tower, and the erection of a new iron lantern of more modern type, fitted with a more powerful illuminating apparatus.

The character of the light will also be changed, from an Intermittent White Light to a Revolving White Light showing three bright flashes, with intervals of 20 seconds between their points of greatest brilliancy, followed by an interval of 40 seconds during the greater part of which the light will be eclipsed, the light thus completing a revolution in 80 seconds.

It is intended to have these alterations effected in the early part of June next; from the beginning of the work the present intermittent light will be discontinued, but during the progress of the work, a temporary fixed white light will be displayed from an anchor light lantern, hoisted in the most conspicuous position on top of the tower. Due notice will be given of the completion of the proposed change.

WM. SMITH,

Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 8th March, 1892.

On the 5th instant a lantern showing a fixed red light, at an elevation of about 8 feet above the water,

Lat. N. 49° 10' 25"

This light will be maintained regularly until further notice, and should be visible 2 miles from all points of approach.

On stormy nights it may become extinguished, at times when it will be impossible to relight it promptly.

This is red buoy No. 2, described on page 3 of Notice to Mariners No. 54 of 1891, moored with Gallows Point, bearing N.W. by N., distant $1\frac{1}{2}$ cables.

At the same time the black buoy at the northern extremity of the Middle Ground, in the same harbour, was furnished with a lantern showing a fixed white light. This light bears W. by S., southerly, $3\frac{1}{2}$ cables from the red light above described, and is similarly arranged.

This is No. 7 black buoy, referred to on page 3 of Notice to Mariners No. 54 of 1891, moored with Gallows Point, bearing N.E. by E., easterly distant $3\frac{1}{2}$ cables.

RÈGLEMENTS.

1. *Limites.*—Du côté d'Ontario, les limites s'étendront $1\frac{1}{2}$ mille en amont et $2\frac{1}{2}$ en aval du débarcadère de M. Mohr dans le township de Fitzroy. Du côté de Québec, $1\frac{1}{2}$ mille en amont et 3 milles en aval de la ligne latérale entre les lots 10 et 11 dans le rang 3 du township d'Onslow.

2. *Embarcadères ou quais.*—Des embarcadères convenables ou quais seront construits et entretenus aux frais du locataire, lesquels devront être sûrs et accessibles en tout état de la rivière, et sujets à l'approbation du département du Revenu de l'Intérieur.

3. *Bateau-passeur.*—Le bateau sera un vaisseau solide et navigable, mû par la vapeur, et une machine à basse pression, et devra porter un certificat de sûreté quant à la chaudière et la machine. La coque devra avoir au moins 50 pieds de quille sur 18 pieds de bau, et 3 pieds de cale, assez grand pour pouvoir porter avec sûreté en une seule et même fois deux voitures doubles chargées, et fournir du logement pour au moins 12 passagers. Le pont principal sera convenablement recouvert afin d'offrir un abri contre le mauvais temps. La machine aura une force d'au moins dix (10) chevaux-vapeur. Le locataire aura aussi le privilège de passer des piétons et leur bagage dans des bateaux convenables mus par des rames.

4. *Nombre de traversées.*—A compter de l'ouverture de la navigation jusqu'au 1er d'octobre, le bateau-passeur commencera son service chaque jour (sauf les dimanches) à six heures a.m., jusqu'à 9 heures p.m., et à partir du 1er d'octobre jusqu'à la fin de la navigation à sept heures a.m. et huit heures p.m., et chaque fois qu'il sera signalé par des voiliers, il traversera, mais ne fera pas moins de quatre traversées complètes chaque jour, selon que la commodité du public l'exigera. Avant ou après les heures ci-dessus mentionnées le locataire pourra, s'il le juge nécessaire, faire des traversées au moyen d'embarcations à rames, durant toute la saison de navigation.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. DEPARTMENT OF THE SECRETARY OF STATE OF CANADA.

HIS EXCELLENCY THE GOVERNOR GENERAL has been pleased to make the following appointments, viz:—

OTTAWA, 12th April, 1892.

THE HONOURABLE SAMUEL HENRY STRONG, one of the justices of the Supreme Court of Canada: to be Deputy of the Governor General to assent to certain Bills passed during the present session of the Parliament of Canada.

DESPATCHES.

Circular (2).

DOWNING STREET,
5th February, 1892.

MY LORD,—With reference to my circular despatches of the 30th of April, 1890, and 14th February, 1891, relating to the arrest of fugitive offenders, I have the honour to transmit herewith a copy of a letter from the Home Office on the subject of the information on which provisional warrants may be issued under section 4 of the Fugitive Offenders Act, 1881. It appears to me that, in order to avoid any possible delay, the practice suggested should be adopted, and I therefore suggest for the consideration of your Government that

instructions should be given that the letter or telegram asking for the apprehension of an alleged fugitive on a provisional warrant should formally state that the offence is one to which Part I of the Act applies, *i. e.* an offence punishable in the Colony where committed by imprisonment with hard labour for a term of twelve months or more. (Sec. 9.)

It has been suggested to the Home Office that a code word signifying this description of the offence should be inserted in the forthcoming revised edition of the Police Telegraph Code.

I have the honour to be,
My Lord,

Your most obedient, humble servant,

KNUTSFORD.

The Officer Administering
The Government of Canada.

The Home Office to the Colonial Office.

(A 53423.)

WHITEHALL,

4th January, 1892.

SIR,—I am directed by the Secretary of State to acquaint you, for the information of Lord Knutsford, that he is informed by the Chief Magistrate that the opinion has been held at Bow Street Police Court that the information for the issue of a provisional warrant under section 4 of the Fugitive Offenders Act, 1881, should contain the allegation that the fugitive has committed an offence to which Part I of the Act applies, *i. e.* an offence punishable in the Colony where committed by imprisonment with hard labour for a term of twelve months or more (sec. 9), and although Sir John Bridge does not himself hold this view, but considers that provisional warrants under section 4 may be granted on a proper information which need not contain anything as to the punishment, he is nevertheless of opinion that to avoid any possible delay in the future, it might be convenient to give instructions throughout the Colonies for the letter or telegram asking for the apprehension of an alleged fugitive on a provisional warrant to contain an allegation that the offence is one punishable in the Colony in the manner above mentioned.

I am accordingly to suggest that Lord Knutsford should consider whether it would not be desirable to issue instructions to such effect to the Colonial Authorities.

I am, &c.,
GODFREY LUSHINGTON.

The Under-Secretary of State,
Colonial Office.

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 25th day of March, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, under the authority conferred upon him by the provisions of "The Inland Revenue Act," chapter 34 of the Revised Statutes of Canada, and by and with the advice of the Queen's Privy Council for Canada, has been pleased to order that the following regulations for the governance of Licensed Bonded Manufacturers in the Dominion of Canada be and the same are hereby adopted :—

REGULATIONS.

1. Subject to the provisions of the Inland Revenue Act, to these regulations, and to such further regulations as may hereafter be made by competent authority, licenses may be granted to manufacture in bond the articles herein enumerated, viz :—Vinegar, fulminate, soap and any other articles of commerce in the process of manufacturing of which alcohol is destroyed and from the resultant products of which it cannot be recovered.

2. Any bonded manufactory licensed under the above recited Act may be closed and the license forfeited, whenever it is shown to the satisfaction of the Minister of Inland Revenue that there is just cause for believing that frauds upon the Revenue are being perpetrated in connection with such manufactory.

3. In addition to the license fee named in the Act above cited, every person to whom a "Bonded Manufacturing License" is granted, shall pay to the Collector of Inland Revenue, in monthly instalments, such sums of money as shall be sufficient for the payment of the expenses incurred by the Inland Revenue Department for the effective supervision of the manufactures carried on under such license, and for taking account of the dutiable articles consumed in such manufacture, and of the articles produced therefrom ; and the maximum sum to be so paid by the party aforesaid, shall from time to time be determined by the Minister of Inland Revenue, as he may deem necessary, and shall, as nearly as may be, be in proportion to the magnitude and general character of the business carried on under such license.

4. Goods manufactured in bond shall be removed from the apartments of the manufactory wherein the same were made as soon as the process of manufacture is completed and shall then be placed in compartments or store rooms set apart for that purpose, and be either warehoused as per warehousing regulations then in force or entered ex-factory for duty, the duty to be collected on the monthly returns of the manufacturer as in the case of other manufactures subject to Excise.

5. With every application for a license to manufacture in bond there shall be submitted a specification or formula of all the articles to be manufactured thereunder, which specification or formula shall also set forth in detail the percentage or proportion of every ingredient to be used in the manufacture of each article, except that in the case of vinegar, the actual quantity of each ingredient to be used (water excepted) shall be given, for the production of one hundred gallons of standard vinegar.

6. The articles manufactured in bond shall be compounded carefully in accordance with the specification or formula submitted with the application for the license and approved by the Minister of Inland Revenue.

7. Collectors and officers in charge of bonded manufactures shall be, and they are hereby required,

to see that the percentages, proportions and quantities set forth in the specification or formula are closely adhered to and in no case exceeded ; but should it be ascertained by any process or by any test of any of the articles made that a greater proportion or percentage of alcohol has been used in the preparation thereof than is set forth in the specification or formula, the duty exigible upon spirits shall be collected upon the excess of alcohol so ascertained, which may be computed upon the article or articles made during the currency of the license then in force, and the manufacturer shall also be liable to the penalty of forfeiting his license as well as the other penalties set forth in the "Inland Revenue Act."

8. The under side of the flooring joists of all bonded apartments in which spirits or other goods subject to Excise duty are stored or placed while under any process of manufacture, shall, if there is any space or other apartment below them, be sheeted or lathed to the satisfaction of the inspecting officer.

9. Dutiable vinegar produced in any bonded factory shall be in the proportion of 100 gallons of standard vinegar containing 6 per cent. of acetic acid, over and above the quantity taken for "mix" or used in the further production of vinegar to 25 gallons of proof spirits taken into the manufactory and used for its production, with such addition to the standard quantity of vinegar as may, in the opinion of the Minister of Inland Revenue, be fairly due to any other article such as sour beer, or wine, acetic acid, or any like article brought into the manufactory, in addition to the alcohol used for its production.

10. In estimating the quantity of spirits used in any bonded manufactory during any period, for the production of vinegar, the inspector shall be guided by the books kept by the manufacturer as required by law or by the actual quantity discovered by stock-taking, thus by adding to the quantity on hand at commencement of period the quantity brought in and deducting therefrom the actual quantity found in stock, the difference may be taken as the quantity used, nevertheless due allowance must be made for the alcohol, that may be in process in the mixing or compounding tub at the beginning and end of the period, but no allowance whatever shall be made for the quantity said to be in process in the generators at the beginning or end of the period for which the calculation is being made.

11. The percentage of acetic acid contained in any vinegar produced in any such bonded factory shall be determined by such established chemical tests, applied by such apparatus, as may from time to time be directed by regulations or instructions made in that behalf by the Minister of Inland Revenue.

12. The officers of Inland Revenue may, at any time, take such samples from any of the packages of vinegar, or other article made in, or brought into any bonded manufactory as may be deemed necessary for determining their strength or quality. Samples of each package so tested shall be sent to the Department for confirmation, and in case the departmental test is at variance with the test so made by the officer in charge of the manufactory, then the test made at the Department shall be final.

13. Every package of spirits and every other article or material brought into any bonded factory, whether subject to Excise or Customs duty, or not, shall be immediately placed in an apartment appropriated thereto and secured by a crown lock, the sole key whereof shall be in the exclusive custody of an officer of Inland Revenue ; and no spirits or other article shall be removed from such locked apartment, except in the presence of the officer who has the key thereof for the time being, and in his presence every article removed from such locked apartment shall be immediately conveyed to the mixing room or other place where it is to be used and applied to the purpose for which it is intended.

14. All packages containing spirits shipped to bonded factories shall have the word "non-potable" over-printed on both ends of the package, in letters not less than 2 inches in height and $\frac{3}{4}$ of an inch in width, and in a colour different from that used for the other marks on the package.

15. Whether the spirits be domestic or imported, the branding shall be done by the vendor before they leave his premises, but if the bonded manufacturer be

himself the importer, he shall have the branding done at a port of entry, and before leaving the Customs premises where the spirits are examined.

16. Spirits shall be removed to a bonded factory only upon a permit countersigned by the Collector, which shall have the words "non-potable" distinctly written across its face.

17. If the bonded factory and the shipper's premises are situated in separate divisions, one copy of the permit (K 4, which will, in this case, be made in duplicate) shall accompany the Bill of Lading, and the spirits shall be consigned to the Collector of the receiving Division.

18. The duplicate permit must be designated as such and on stub of permit book may be accounted for by referring to original general number.

19. In all cases the Collector shall detail an officer in addition to the officer in charge of the bonded factory, to weigh and test the spirits and see them placed under lock in the bonding warehouse of the factory, and to certify the fact in writing upon the permit.

20. Spirits shall not be removed from a bonded factory without the written permission of the Minister of Inland Revenue, and then only to another bonded factory or to a licensed distillery.

21. The word "non-potable" shall be conspicuously placed upon all removal entries, or other official documents, used in connection with the removing of spirits to a bonded factory.

22. No articles shall be kept or stored in any bonded manufactory other than such as are to be used in the manufacture of articles enumerated in the specification or formula accompanying the application for license.

23. Every Excise mark on every package in which any excisable goods are taken to any bonded manufactory, shall be completely erased and removed from such package as soon as emptied.

24. No person licensed as a manufacturer in bond shall carry on any trade of buying or selling spirits or spirituous liquors on the premises for which such license is granted, nor in any other premises situated within five hundred yards of such licensed premises, except in so far as such buying and selling is a necessary consequence of the business for which the license is granted, and permission to carry on such business is specially granted in the license.

25. No duty-paid spirits (except spirits on which the difference between Customs and Excise duty has been paid under 49 Vic., chap. 34, sec. 234) shall be taken into any bonded manufactory.

26. Whereas by the 234th section of the Act of the Parliament of Canada, 49 Vic. chap. 34, intituled "The Inland Revenue Act," it is provided that "whenever any article not the produce of Canada upon which the duty of Excise would be levied if produced in Canada, is taken into a bonded manufactory, the difference between the duty of Excise to which it would be so liable and the Customs duty which would be levied on such article if so imported and entered for consumption shall be paid as a duty of Excise when it is taken into the bonded manufactory; but in the case of spirits to be used for any chemical or manufacturing purpose only, the foregoing provisions of this section may be varied, in whole or in part by the Governor in Council, provided that no increase of duties shall accrue therefrom,"—His Excellency in Council, in pursuance of the provisions above recited, has been pleased to order, and it is hereby ordered, that the duty exigible upon foreign spirits, when taken into any duly licensed bonded manufactory, shall be determined at the rate of thirty cents (30c.) per proof gallon.

27. Stock books must be kept in the factory, in which must be entered:—

1st. The quantity of each description of article or commodity brought into the factory, and the spirit equivalent thereof, and in the case of spirits the particulars of every package, stating where manufactured, the strength and quantity, the marks, &c., on the casks, and the general numbers of the permits under which it was conveyed to the factory.

2nd. The quantity of each description of article or commodity used in the production of the manufactured articles made in the manufactory, and the

spirit equivalent thereof, giving the particulars of every quantity mixed, showing the marks, &c., of the original packages from which they were taken.

3rd. The quantity of each description of article or commodity removed from the factory, or disposed of otherwise than for the production of the articles therein manufactured or made.

4th. The quantity of each description of manufactured article or commodity made or produced on each day.

5th. The quantity of manufactured product removed from the factory.

6th. The quantity entered for warehouse, and

7th. The quantity ex-warehoused and entered for duty ex-factory.

28. All vinegar running from generators having a strength of 3 per cent or more of acetic acid must be conveyed directly to the closed receivers and must there be gauged and tested before being taken for "mix" or otherwise.

The quantity required for "mix" when not exceeding the quantity stated in the specification or formula will be given by the officer when required, and at the end of the month the total quantity taken will be deducted from the total production of vinegar in the manufactory, leaving the balance as the actual quantity of dutiable vinegar produced.

29. On and after the first day of July, 1888, no allowance shall be made to the manufacturer for the quantities of spirits supposed to be in process in the generators, the Department giving up all claim against the manufacturer for an equivalent number of gallons of standard vinegar, nor shall such quantity be taken into consideration in any stock-taking or assessment that may have to be made in case of a deficiency of production.

30. When vinegar is conveyed from the generators through unlocked compartments of the factory, it must be conveyed in closed pipes properly secured.

31. Should the Inspector of Bonded Manufactories, or any other superior officer of Excise at any time, on visiting a bonded manufactory observe anything which in his judgment might lead to a loss of revenue or interfere with its proper collection, or that might offer facilities for fraud, he is empowered to give instructions as to the changes he may deem necessary for the proper protection of the revenue and such instructions shall be complied with by the manufacturer or his agent, and if said changes be not made within the space of ten days his license shall be forfeited.

32. All Orders in Council in respect of the manufacture of goods in bond previously issued or established are hereby cancelled.

33. The Minister of Inland Revenue may provide such tests for determining the percentage of free spirits contained in vinegar, and may deal with any vinegar found to contain such free spirits as may be deemed necessary for the proper protection of the revenue.
